Event Details

2022 Scouts BSA Summer Camp

Nestled in the heart of the Paul Bunyan State Forest in Central Minnesota, we are a premier 2,400 acre Scouts BSA camp. The camp is nationally recognized and fully accredited by the BSA. Our programs have been featured in both Boys Life and Scouting Magazines. In operation since 1945, this beautiful camp has met the needs of Scouts and leaders for over 70 years. We look forward to welcoming you and your troop to Camp Wilderness!

Campsites are currently available for you to reserve for 2022 using the reservation links on the right. You will be asked to provide an estimated number of youth and adults the troop will bring. While we understand these are estimates, we do have a limit of 300 people per session, so please be as accurate as possible with your estimates. Starting on 1/1/2022 you will be able to log back in using your registration number and e-mail to start registering Scouts and adults and paying the per person deposit.

Please check out the links and attachments below for more details on Camp Wilderness 2022 Summer Resident Camps!
