Sunday – September 15, 2019

Wake up – Breakfast – Pack everything up – arrange for a camp site inspection so you get your custom 2019 Camporee patch. Also we appreciate if you fill out an evaluation form. Mark your calendar for the same weekend next year - 2020 Fall Camporee –at Geronimo.

Sunday - Check out Procedures.

This year the camp requires that each troop must have a formal check out procedure. When you are ready to check out please contact one of the staff and request a check out time. We will come with you to inspect your campsite to be sure that all platforms have been put back in SM cabin or in a protected area, that fires are completely out (you must be able to put your bare hand into the fire as far as possible) and that there is no damage or trash. Toilet and Ramada areas must be clean. Upon checking out of camp we will give you your Camporee patches. No trace – please leave our campsites better then what we found.

Fire Restrictions

We will keep everyone posted as to fire restrictions. It may not be possible to have a campfire in your camp if fire restrictions are in place. If fire restrictions are not in place we must be careful with campfires. Fires that are not attended must be completely out. Fires can only be built in designated campfire places.

2019 GILA RIVER / SOUTH MOUNTAIN DISTRICT FALL CAMPOREE Sept 13-15, 2019 AT CAMP GERONIMO

Weather - Toilets - Water

Expect the weather to be warm - Should go down at night but during the day may be in the 80s or higher. Always prepare for rain. There will be flushing modern toilets in most campsites. Please bring your own toilet paper and garbage bags. There will be dumpsters to put trash in. All trash put in dumpsters must first be put in a plastic bag. Water will be available at all campsites. There are no tents; each unit should bring their own tents.

First Aid - Safety

Please report any injuries to medical staff at Dining Hall. Each unit should bring a first aid kit and plenty of water for scouts to have during Saturday. Suggest that leaders provide cold water bottles to their scouts on Saturday. Encourage scouts to drink water often. Please make sure that no rocks are thrown and that your scouts act safely in all they do. Please have scouts follow the buddy system. Let's do our best to make this an accident free Camporee.

Preparation for Events

Please bring a shovel and bucket for gold panning. Events will be competitive with prizes given out to the three best patrols/packs at the award ceremony. Each event will require the patrol to give their patrol name and yell. Points will be awarded not only for best time or score but also for conduct, working together and organization.

Uniform Inspection

As in prior years - SPL will be expected to perform the uniform inspection for their troop - this will be done on the attached uniform inspection form – at 7:30 AM on Saturday morning. Additional forms are available during registration. The SPL will inspect each scout's uniform just before the flag ceremony, complete the form, and stand first in line with the completed form. An inspector will come by either before or just after the flag ceremony and review and collect the forms. This year ten points (out of 100) will be given for either a matching scarf (neckerchief), arm band or hat

Campfire Skits

Campfire Saturday Night 8:00 - 9:30 - turn in skits on registration form.

Campsite Inspections

Camp Sites – 10 extra points for going with the theme. When you prepare your menu, use theme names for the food and don't forget post your menus. Consider renaming your camp site to a space station or spaceship. Be creative. Have fun.

Be sure to post your unit number somewhere and if you are sharing a campsite be sure inspectors know where each unit is.

Vehicles

After check in at the Dining hall upon entering camp, only one equipment vehicle will be allowed to transport camp equipment to camp site. Scouts are expected to walk. All vehicles must be removed to parking lot before or Council said they will be subject to a \$50 fine. We want to be sure we follow all Camp rules and ask that you pay particular attention to this rule – thanks for understanding. All vehicles must be out of Camp by Crackerbarrel (9 PM), unless special permission has been obtained with a special pass for a medical concern. Equipment trailers can stay at campsite so long as tow vehicles are in parking lot.

If you would like to Help

We need troops and adults to help run events, help with lunch, registration, uniform inspection, camp site inspection and many other items. Please contact Dan Bang or Roy Hollis or let us know on your registration form. Thanks so much for making this a great camporee.

This questionnaire was developed to help improve your next Camporee. Please discuss this with the members of your unit, and turn it in when you check out. Any ideas or suggestions are welcome.
