OCTOBER 16-18, 2020
CAMP INDIAN TRAILS, JANESVILLE, WI

COST: $25.00/SCOUT BSA OR CREW MEMBER
$15.00/LEADER

REGISTRATION CLOSES: OCTOBER 13TH.

There is something strange in the CIT woods…
Who you going to call? **GHOSTBUSTERS**!

Actually, I am calling on ALL of the Yahara District Troops and Crews to help clear CIT of all the pesky paranormal beings.

While preparing Allen Hall for our Annual Camp Dread Haunted House we struck an ancient ley line; letting out all kinds of ghosts, poltergeists, banshees and our Ranger has even reported seeing Will-O-The-Wisps amongst the trees.

Ectoplasm is now coating the Trails of CIT. There are hauntings in the cabins and banshees howling in the woods. We will need your Scout Skills to help capture and contain these apparitions.

WHO YOU GONNA CALL?

FALL CAMPOREE
LEADER'S GUIDE & COVID PROTOCOL

This packet will contain ALL of the information that you will need to know about our upcoming event. It is imperative that you read & understand everything included. On the last page of the guide you will find the protocols that we are setting in place to minimize contact. If you have any other questions or concerns please email Callie Fritchen at yahara.camping@gmail.com

Registration: All registrations will be done online. You can find the link to the online registration on the Council Calendar. Registration will close on *October 13th at 11:59pm*.

Units must register all of the members of their unit that wish to participate, and provide a count of how many patrols they are entering.

Registration numbers determine food and supplies needed for the weekend.

As we continue to make efforts into Covid Prevention early registration is even more critical as we will need additional time to prep campsites and stations.

Unfortunately, due to our Covid Protocol we will NOT be able to accommodate late registrations or walk-ins. We are sorry if this causes an inconvenience.

General Info:

- Menus, Maps & Event rotations will be handed out at the leaders meeting. Please don't be late, thank you.
- Units should have Health forms on-site.
- All units must be checked in by 8:00 pm.

4. **Revenge of the Stay-Puft Marshmallow Man**

Covid Protocols

- The week <u>before</u> the Camporee:
  - You will receive an email prior to the Camporee with your site location
  - Please check in with your Scouts to see if anyone is experiencing any signs or symptoms of Covid 19. If in doubt please keep them home.

- Arriving at the Camporee:
  - Upon arrival please head straight to your assigned campsite.
  - While your Unit is setting up the leader will need to text Callie at 608-338-8712 to let us know you have arrived.
  - A Camporee team member will then visit your site for check-in
  - Please have an Adult Leader and your SPL meet the team member to go over check in reports and receive the itinerary for the evening. (you will need to make sure face coverings are worn at this time)
  - At this time, you will receive a menu and order form for the weekend; *<u>please bring the completed form to the Leaders Meeting</u>* as it will be critical in assisting our Kitchen Staff in preparing your food.

- During the Event:
  - Meals – all meals will be prepared by Camporee staff at Allen Hall and taken back to Troop sites for dining.
    - We are planning on pre-packaging all meals per person; therefore, turning in your order form will be critical.
    - Units will need to send 2 youth to collect the meals from their designated spot in Allen Hall.
  - Flag and Award Ceremonies – will be set up in a wagon wheel pattern around the flag pole on the Parade Field. Please look for your Unit # marker and encourage the youth to keep a 6-foot distance from the Units to either side.
  - Once we have a rough head count, we will determine how best to run the rotations to minimize contact.
