Unit Daily Temperature Log

This temperature log needs to be completed everyday during your summer camp trip.

- Complete this form before departure at your meeting location & bring it to camp with you to turn in during the camp health check

(if your unit leaves on a Friday to come to MMSR there should be 3 of these forms turned in when you arrive to camp)

- Complete this form first thing each morning and turn it into the MMSR camp office to be given to the camp health officer to be kept on file with the Health Log Book.
