Class Catalog

Troy University MBU at Troy University - Hawkins Hall

Troy MBU (Scheduled Classes)

TMBU8 Archaeology

Archaeologists are detectives who study how people lived in the past. They figure out what happened, when, how, and why. Using the clues that people left behind, they try to understand how and why human culture has changed through time.

9-3:50 PM

TMBU3 Chemistry

Chemistry explores how substances react with each other, how they change, how certain forces connect molecules, and how molecules are made are all parts of chemistry. Stretch your imagination to envision molecules that cannot be seen - but can be proven to exist - and you become a chemist.

9-11:50 AM

TMBU10 Climbing

Climbing is not a sport that requires tremendous muscular strength; it demands mental toughness and the willingness to practice hard to master a set of skills. The adventure of climbing can also provide a new way to enjoy the outdoors.

9-11:50 AM

Room: Butter & Egg Adventures

Additional Fee: \$25.00

Maximum number of participants: 10

TMBU2 Crime Prevention, Fingerprinting, Fire Safety, Traffic Safety

Preventing crime, which can be as simple as reducing the opportunities for crime to occur, is far less costly than apprehending and bringing legal action against those who break the law and it helps save people from the anguish of being victims.

In earning the Fingerprinting merit badge, Scouts will learn about and use an important technique that is used by law enforcement officers, along with other materials like matching dental records and DNA sampling, to help identify amnesia victims, missing persons, abducted children, and others.

The ability to use fire safely is essential to human survival. By earning this merit badge, Scouts will learn to use fire safely and responsibly, how to prevent home fires, and how to handle fire safely, as well as burn prevention, and camping safety.

Staying safe in traffic wherever you live is getting more difficult all the time, as more and more people take to the road. Earning the Traffic Safety merit badge and will give Scouts some crucial tools to stay safer, when driving a car on a highway, riding a bike across town, or jogging across a busy street.

9-11:50 AM

TMBU16 Digital Technology (2023 version)

Technology has come a long way since Computers merit badge was first introduced in 1967. This badge will teach Scouts about technology in the digital age.

9-3:50 PM

TMBU22 Disabilities Awareness (2021 version)

Look around at the Scouts in your unit, the members of your sports teams, and the kids in your class - you will see that each person has their own personalities, distinct interests and ideas, different physical features, and different strengths and needs.

1-3:50 PM

Instructor: Chris Hilburn

TMBU13 Electricity (2021 version)

Electricity is a powerful and fascinating force of nature. As early as 600 b.c., observers of the physical world suspected that electricity existed but did not have a name for it. In fact, real progress in unraveling the mystery of electricity has come only within the last 250 years.

1-3:50 PM

Maximum number of participants: 25

TMBU11 Entrepreneurship

By earning the Entrepreneurship merit badge, Scouts will learn about identifying opportunities, creating and evaluating business ideas, and exploring the feasibility (how doable it is) of an idea for a new business. They will also have the chance to fit everything together as they start and run their own business ventures.

9-3:50 PM

Class Catalog

Troy University MBU at Troy University - Hawkins Hall

TMBU7 Environmental Science

While earning the Environmental Science merit badge, Scouts will get a taste of what it is like to be an environmental scientist, making observations and carrying out experiments to investigate the natural world.
9-3:50 PM

TMBU4 Family Life

The family is the basic unit of society and is important to both individuals and communities. The world is rapidly changing, making today's society much more complex than ever before. As Scouts earn this merit badge, they will realize why it is important to know more about family life and how to strengthen their families.
9-11:50 AM

TMBU15 First Aid (2022 version)

First aid - caring for injured or ill persons until they can receive professional medical care - is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and help to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood. It could even save a limb or a life.
1-3:50 PM

TMBU6 Graphic Arts

The field of graphic arts includes many kinds of work in the printing and publishing industries. Graphic arts professionals are involved in the creation of all kinds of printed communication, from business cards to books to billboards. The scope of printing communications is huge.
1-3:50 PM

TMBU18 Personal Management (2019 version)

Personal management is about mapping a plan for your life that will involve setting short-range and long-range goals and investigating different ways to reach those goals. Education, training, and experience all help make your goals become a reality. To achieve your goals, you will choose the best path and make a commitment to it, while remaining flexible enough to deal with changes and new opportunities.
9-3:50 PM

TMBU21 Photography (2024 version)

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, a scientific breakthrough, an endangered animal, or a time in history.
1-3:50 PM **Instructor:** Melanie Register

TMBU5 Robotics

Earning the Robotics merit badge requires a Scout to understand how robots move (actuators), sense the environment (sensors), and understand what to do (programming); he should demonstrate robot design in building a robot. You should help ensure that the Scout has sufficiently explored the field of robotics to understand what it is about, and to discover whether this may be a field of interest for him as a career.
9-11:50 AM

Maximum number of participants: 25

Troy University MBU at Troy University - Hawkins Hall

College of Commissioner Science - Bachelors (2023 revision) (Scheduled Classes)

**BCS106 Coaching Leaders (Updated 08/01/2021)**

In this course a commissioner will become familiar with the new Coaching model and how to use it to better serve their units.

3-3:15 PM

**BCS107 Journey to Excellence (Updated 08/01/2021)**

JTE is the BSA's tool for helping leaders plan their program, monitor progress and access their Scouting success. Scouting success takes many forms, and JTE success employs a "balanced scorecard" as a result. The standards enable both large Scouts units and small ones to succeed - as long as they provide good Scouting to youth.

9-9:15 AM

**BCS103 Linking District Resources (updated 12/31/2021)**

Although commissioners are viewed as very knowledgeable and capable individuals, a key part of a commissioner's job is to link the unit to the district committee.

1-1:15 PM

**BCS108 Mining Internet Resources (Updated 08/01/2021)**

Commissioners are asked many questions and assumed to be experts on everything. Although they may wish to be an expert, knowing where to find information can make them a virtual expert. This course concentrates not on the local "who do you call" but on using the internet, in effect, mining internet resources.

11-11:15 AM

**BCS152 Planning, Implementing and Promoting Roundtables (Updated 08/01/2021)**

In this course, the participants will be learning how to plan and implement a roundtable to best serve the units in their districts and councils. They will also discuss how to promote roundtables to units they serve and to new leaders.

2-2:15 PM

**BCS102 The Charter Renewal process will be revised following the implementation of Internet Recharter 2.0**

Chartered organizations must submit an application to local councils annually to renew their charters. This fosters a formal, timely plan for regular dialogue between the chartered organizations and BSA, and assures membership is current so Scouts can participate in Scouting activities and advance in rank. Commissioners participate in and support the timely, error-free completion of the renewal.

10-10:15 AM
