NOAC 2024

July 29 – August 3, 2024

University of Colorado Boulder

WHAT IS NOAC?

The National Order of the Arrow Conference (NOAC) is the flagship event of the Order of the Arrow nationally. Held every two years at a major university campus and attended by as many as 8,000 Arrowmen from all 50 states, NOAC is second only to the National Jamboree in size and scope. The event is filled with many great activities such as outdoor adventure, world-class training on ALL OA topics, arena shows, patch trading, and much more! The 2024 NOAC will be held from July 29 to August 3, 2024 at the University of Colorado Boulder and will be **the first NOAC held west of the Missouri River since 1988!**

WHO CAN ATTEND?

Any registered youth or adult Arrowman from Woa Cholena Lodge in good standing can participate. While there will be no limit to the number of participants that the Lodge can bring, we will not be able to bring more adults than youth. ****IMPORTANT-** locally we could be limited by our travel arrangements, so the sooner you register, the more likely it is that you will be able to attend.**

HOW MUCH WILL IT COST?

The estimated fee will be \$1,400 per participant, which will include the NOAC fee, transportation, travel meals, and a limited amount of WOA Swag (including contingent t-shirt and delegate patch sets). The fee is a close estimate, which is contingent upon the finalization of travel arrangements in early 2024.

HOW DO I HOLD MY SPOT?

Participants must pay a \$140 deposit to secure their spot, or they can pay the total fee of \$1,400 at that time. To secure your spot now, **CLICK HERE**. If you have any registration issues, contact Mary Phillips at the Council office at 251.476.4600.

CAN I MAKE INSTALLMENT PAYMENTS?

Yes! In order to lighten the financial burden for families, we will require \$140 up front to secure your spot, followed by nine monthly payments of \$140 beginning October 1, 2023 through June 1, 2024. This will ensure that the NOAC fee is paid to National on schedule and that transportation is secured in early 2024.

HOW WILL WE GET THERE?

We are planning to secure air transportation, with ground transportation as a distant Plan B. While we are confident air transportation will be secured within the confines of this fee, this will ultimately be determined by the cost at the time of travel booking in early 2024.
