What is Winter Camp? Mobile Area Council's annual Winter Camp is a special four-day event, December 27-30, where Scouts can work on merit badges at Camp Maubila during Winter break. Here are a few highlights to expect:

- | | | |
|---------------------------|---------------------------|------------------------|
| •All Meals in Dining Hall | •Provisional Scout Troops | •Unit Camping |
| •Youth Commissioner Staff | •Night Merit Badges | •In-Camp Medical Staff |
| •Improved Training Venues | •Trading Post | •Campfire Program |

Thank you in advance for your support of Winter Camp. Please share the enclosed information with your adults and Scouts so that they can begin making plans to attend. Please make copies and distribute the attached staff application to the leaders and mature Scouts in your unit.

Scout Registration: The **early bird fee is \$195.00**, if paid by or before 11:59 pm on November 30-no exceptions. Early registration ends November 30 at 11:59 pm to get a camp shirt. **Winter Camp fee is \$225.00 December 1st-15th.** Registration fees will NOT be accepted after 11:59 pm Monday, December 15th. Scout Registration fee includes t-shirt, but must be ordered by November 30 with payment. No guarantees after this date for a t shirt. **The \$50.00 STAFF fee for any unit leader appointed to staff teaching a merit badge (Nov. 30th to include shirt).**

Unit Leadership Requirements. At Winter Camp, all units are under their own leadership. Each unit must have at least two adult leaders, as required by Youth Protection Policy. One adult must be at least 21 years old; the other leader can be 18 years or older. Any adult attending camp must be registered and have completed Youth Protection Training 72 hours prior to the event.

Leader's fees: Below is the recommended number of leaders for your troop to be at camp. 5 to 10 Scouts – 2 leaders (\$60.00 each to cover the cost of food, insurance, and patch) and \$15.00 each for Camp Shirt (by Nov. 30). Additional leaders must pay \$60.00.00 each. \$15.00 fee for Camp Shirt. (No exceptions, \$60.00 to cover the cost of food). *These fees are not refundable.*

The \$50.00 STAFF fee for any unit leader appointed to staff teaching a merit badge.

MERIT BADGES Merit Badge Program. We hope to offer a good variety of merit badges at camp. Traditionally, the merit badges offered at Winter Camp are determined by the capabilities of the volunteer staff members. THE LIST BELOW IS THE MERIT BADGES OFFERED. See chart below for periods offered. List MBs choices that each scout wishes to take on form below at time of registration and payment for best selection of course and session.

Archery	Citizenship in the World	Fire Safety	Personal Management

JUST DO IT activities are FREE, but we ask that you register so we have enough supplies. These activities vary by the theme of Winter Camp and are geared to generally teach the scouts/adults a new and different skill. ***Archery, Sling Shots & Tomahawks** will be offered FREE for fun ONLY during JUST DO IT periods 1, 2, or 3. Mandatory Safety Training must be completed by ALL wishing to shoot. **ARCHERY and RIFLE SHOOTING during the A, B, or C period is for QUALIFYING SHOOTING only.** A shooting sport MERIT BADGE is NOT being offered-simply the joy of shooting or qualifying shooting to complete a partial merit badge. Available to 12 scouts each session offered. Please be courteous to allow others to register, please limit yourself to ONLY ONE SESSION. Please make sure that each youth registered for a shooting sport has the shooting sports permission form (attached) completed by the participant's parent or legal guardian prior to arriving at camp. Generally, have every parent sign one or their child may NOT participate in any for fun shooting sports sessions. ***The MAX NUMBER limits the class size per session -BLACKPUG registering system will need exact names of scouts taking each merit badge. **Please look over the requirements for the Merit Badge and bring any requirements: fishing poles and lures for bass, personal first aid kits, digital camera or phone, genealogy family tree, etc.** List the Merit Badges per period (1, 2, 3, A, B, C, and NIGHT D-1, D-2, or D-3) the scouts want to take with payment by November 30th at 11:59 pm for best selection. Use the Merit Badge sheet attached to this guide. **Scouts can take up to 7 merit badges.** Any adult wanting to teach a merit badge class should contact Director or Program Director as soon as possible (even as an alternate). **MAKE & TAKE** activities are fun activities that go along with our theme. Make them and take them with you at the end of the period. Make & Take activities are in periods **1, 2, 3, D-1, D-2, and D-3.**

GENERAL INFORMATION

Dining Hall. Meals will be served in the dining hall. The first meal served will be lunch on December 27.

Severe Weather / Emergency. In the event of severe weather in our area, you will hear several long blasts from the air horn. Cease all activities and report to the nearest sturdy building as quickly and safely as possible. Get into the most interior section away from windows. Adult leaders are to take account of youth and adults in attendance. Try to text Director or Program Director of your count and location. Remain safely indoors until you have been given an all clear by Direct/Program Director. EMERGENCY sound is 3 short blasts of air horn. Stop activities and remain in the location. Scout leaders and staff will be notified of the emergency. Remain until you receive an all clear.

Provisional Troop. We will provide a provisional troop and campsite. All Scouts are welcomed at Winter Camp. If a unit is not planning on attending Winter Camp but has Scouts that wish to attend, they will be provisional campers. The same registration dates and fees apply. The Provisional Leadership will be provided by staff and will consist of 1 Scoutmaster and 2 assistants.

Medical Forms. All Unit Leaders and Scout participants are required to have a completed medical form (Parts A & B). All forms must be presented to the Medical Officer at the time of check-in. All medical forms must be bound with the troop number on the front cover. Staff and Provisional scout campers must provide a completed medical form (Parts A & B) at the time of check-in. These forms will be held by the Medical Officer and returned during checkout at the end of Winter Camp. Unit leaders will be responsible for any medication that a Scout requires during Winter Camp. Any medications requiring refrigeration will be held by the Medical Officer at the First Aid Lodge during Winter Camp.

Medical Guidelines. Any mandatory state/local and CDC guidelines will be followed at camp during Winter Camp.

Campsites. Campsite assignments will be made on a first registered basis. Units attending Winter Camp will be assigned campsites by the Camp Director based on the number of scouts and leaders attending. Please include your campsite request on the registration form at the time the unit is registered. Unit leaders will be notified at check-in of their campsite assignment. All youth are expected to be in the campsite no later than 11 pm. Any youth out of their campsite after 11 pm must be escorted back to their site using the Scouting America 2-Deep Leadership policy.

Gear Preparation. Weather during Winter Camp can be a mixed bag. It can be very cold, unseasonably warm, and sometimes rainy all in the same 4-day period. The following is a list of recommended gear that you should share with your prospective Scouts and their parents:

Groundsheet and Tarp	Blankets	Sweatshirt or sweater	Scout Uniform
Ground pad (or cot/ mattress)	Flashlight	Warm clothing (shirts/pants)	Boots
Long underwear	Warm Coat	Toiletries (soap, shampoo, towel)	Tent with Rain Fly
Pen and Paper	Gloves	Stocking cap or hat	Rain gear
Warm sleeping bag	Socks and underwear		

Unit leaders: please ensure that all your Scouts are fully prepared for the weather at Winter Camp. Leaders should emphasize the importance of layering clothing, allowing the Scout to remove layers of clothing as the temperature rises during the day and adding layers of clothing as it drops during the afternoon and evening. Units participating in this event must furnish their own tents. Rain is not uncommon; it is important that tents have a good rain fly and a groundsheet. A wet sleeping bag will make an otherwise comfortable Scout miserable and can rapidly lead to more severe health problems. Please help to ensure that each of your scouts are adequately prepared for this trip.

Vehicles. Any licensed driver under the age of 21 years old are required to park their vehicle in the camp parking lot for the event. All vehicles will remain in the parking lot. NO VEHICLES ARE TO BE LEFT IN THE CAMPSITE. With pre-approval of the Camp Director, units may be allowed to bring a vehicle to the campsite for a short period to drop equipment or trailer only.

Visitors. There will be no visitors allowed on the property during Winter Camp without prior approval from the Camp Director. Visitors during mealtimes must pay \$10.00 per meal. Visitors may NOT spend the night. Leaders that “switch out” with another leader may be designated as visitors for meal purposes unless arrangements are made with the Camp Director prior to arrival at Winter Camp. MEAL FEES are to be paid in the TRADING POST.

Staff selection. Staff applications will be accepted through Nov 30. A staff application is attached to this guidebook. Minimum staff requirements are as follows:

- ADULT STAFF is 18 years or older by the first day of Winter Camp.
- YOUTH STAFF is 14 years or older by the first day of Winter Camp.
- All staff MUST register in BlackPug and indicate t-shirt size by Nov. 30.
- A \$50.00 fee to cover food, insurance, Staff t-shirt, and patch applies to all staff paid into BLACKPUG.
- Registered in Scouting America with current Youth Protection Training.
- Willingness to perform tasks other than merit badge instruction as directed by the Camp Director and Program Director (Tend fires, clean restrooms, wash dishes, etc.).
- Youth Commissioner Staff / Youth Dining Hall Staff will be chosen from those submitted Youth Staff Forms.
- Staff members will be notified of their assignments by December 18

Any type of bullying or hazing is unacceptable, and this will result in a youth/adult being sent home immediately.

All scouts are expected to behave according to the Scout Oath and Law. Any Scout or Leader found to be in violation of any of the principles of the Oath and Law may be asked to leave camp and no refund will be given. Items that have a ZERO tolerance are vandalism, fireworks, guns, other dangerous instruments (to include but not limited to: tasers, sling shots, crossbows, bow & arrows, long knives, swords, machetes, etc.), illegal drugs of any kind, fighting. We are Scouts - please act as such.
