Step 3: Click on “Select Classes” and it will open this screen:

At this point in the process, every merit badge class for every class period will be listed. After you select a class for the first period, the rest of the classes in that period will disappear. If you would like to jump to another class period, you can click on the period option at the top of the “available classes” section.

Step 4: After you finish selecting 4 classes, you can press “show class schedule” to review what you chose.

*If you have any questions during this process, please email your questions to gcc.program@grandcanyonbsa.org. We will get back to you in the order in which we receive emails.
