WELCOME TO GREEKS GREATEST

Welcome to GREEKS GREATEST

We want your family to have an amazing outdoor weekend experience. We are the **Order of the Arrow White Tanks Chapter**, also known as Demigods, and are honored to be coordinating **GREEKS GREATEST** Camp Kaibab event for Cub Scouts.

Mount Raymond (Camp Raymond)

Located between the Kaibab and Coconino National Forests, Camp Raymond is only 30 miles from downtown Flagstaff, and is surrounded by some of the most beautiful terrain in Arizona.

From the east meadow, the morning view of the majestic San Francisco Peaks is glorious, and often the peaks are still covered with snow. Watch elk, pronghorn antelope, and deer graze as your day begins, then enjoy the 160+ acres of Camp Raymond.

Scout Fun

Zeus has commanded that this Cub Scout Campout be a great outdoor experience for all while enjoying well-equipped camping sites. Bring your own tent and set up in scenic flat sites with running water, shelters, and latrines. All meals are served in our state-of-the-art dining hall.

You can learn more about what makes **GREEKS GREATEST** camp special in our easy-to-follow Parents' Guide. Any questions, please email GCC.Program@grandcanyonbsa.org. This email is monitored every business day. We look forward to seeing you in the great outdoors!

Yours in Scouting,

Devin Clark – Camp Director | OA White Tanks Chapter Chief

Sam Scofield – Assistant Camp Director | OA White Tanks Chapter Vice Chief

Rick Brown – Camp Raymond Ranger

GRAND CANYON COUNCIL, BSA

BSA MISSION STATEMENT

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

GRAND CANYON COUNCIL MISSION STATEMENT

The mission of the Grand Canyon Council camping program is to provide each Scout with a memorable and challenging outdoor experience. The Grand Canyon Council enriches the fundamentals of Scouting through unique opportunities for leadership and educational growth. All programs and activities will be guided by the principles of the Scout Oath and Law.

The Grand Canyon Council is an equal opportunity organization that does not discriminate on the basis of sex, color, race, creed, or religion.

REGISTRATION

We want to thank you for taking the time to explore the official 2024 Greeks Greatest Parents' Guide, a resource providing essential information to help you plan and prepare for an unforgettable outdoor weekend experience. We strongly encourage all adults attending camp to read this guide in its entirety. For your convenience, the latest version of this document is always available at GCC Calendar – Camp Kaibab – Registration Site.

Event Registration

Register at Grand Canyon Council Calendar – Camp Kaibab

<https://scoutingevent.com/010-71998>

Please be sure to fill out the entire registration form with your contact information, participant information, Pack #, dietary needs and special needs. Please also include information on:

- Arrival Day – Friday Night or Saturday Morning
- Departure Day – Saturday Night or Sunday Morning
- Scout Rank – Please include your Scout's current rank.

Cub Scouts (Lion through AOL) will be participating Range and Target Activities – Archery and Slingshot. Lions and Tigers will need help from their adult partner. If a Scout does not feel comfortable participating at the range, that is okay too. The Parents' Guide version 4-24-24 originally stated you had to register for range activities which is not correct.

This registration information helps us to provide your family with a great camping experience. Within the family registration, youth must be accompanied by at least one parent or an adult family member (over 21 years of age). This event will be held – rain or shine!

BSA Annual Health and Medical Record (Required)

The event **does not** require a medical professional signature on the Annual Health and Medical form.

On arrival at camp, all campers must submit a BSA Annual Health and Medical Record – Part A, B1 & B2 with immunization records written on B2 or attached and a copy of the family insurance card. The health form used for all scouting events is on the BSA website at:

[Annual Health and Medical Record | Boy Scouts of America \(scouting.org\)](https://www.scouting.org/health-and-safety/ahmr/)

www.scouting.org/health-and-safety/ahmr/

This record is provided as a fillable PDF, and members are encouraged to fill it out on their computer, then print the record (rather than printing the record and filling it out by hand). Doing this will improve the readability and accuracy of each member's medical information.

While you may have other types of health forms, the only form accepted at camp is the BSA Annual Health and Medical Record.

Refund Policy

If you need to request a refund, a Refund Request Form must be fully completed and submitted with the required documentation. The form is located at: <https://www.grandcanyonbsa.org/wp-content/uploads/2020/07/Grand-Canyon-Council-Refund-Request-.pdf>

For this event, the refund policy is:

0 - 10 days.....	0%
11 - 30 days.....	50%
31+ Days.....	100%

Refund requests received after a program has begun will be considered if there are extraordinary circumstances and the maximum refund will be 50%. Examples include: documented medical reason (doctor's note required), a death in the immediate family, or a natural disaster. No refund requests will be accepted after ten (10) days following the end of the applicable activity.

REGISTRATION

Approved refunds will be processed within thirty (30) days of their receipt in writing and made either by check or by credit card reversal, at the discretion of our council staff, to the original payer for individual registrations or the unit, in care of the reservation contact, for group reservations (Summer Camp, Winter Camp, etc.).

Any event canceled by our council will result in full refunds of all funds paid. If an activity is postponed by our council and the participant cannot attend on the alternate date, the payer may ask for a refund of the full fee, or a credit for the full fee paid, which may be applied towards the cost of future events within one calendar year.

Recognizing that we are here to “help other people at all times,” regardless of the policies set out above, full or partial refunds may be granted for special hardship cases. Special hardship cases may include personal illness or family emergencies. Special hardship case refunds will be promptly considered and granted or denied by our Council Campership and Refund Committee, under the Vice President-Program.

YOUR STAY AT MOUNT RAYMOND

Arrival

For a few days, this will be your home away from home and we want to make sure you enjoy your time at Mount Raymond (Camp Raymond).

On Friday night, check-in is from 6:00 p.m. to 10:00 p.m. The main parking lot is on the left after the Ranger’s House and Warehouse. Please park in the main parking lot. To check-in, you will need to go to the dining hall back porch and please bring your medical forms for each participant.

If you prefer, you can check-in on Saturday morning. Check-in is from 7:00 a.m. to 8:00 a.m. Check-in at the dining hall back porch and please bring your medical forms for each participant.

At Check-In you will receive

- ❖ Your Campsite Assignment
- ❖ Your Game Schedule
- ❖ Game Map
- ❖ Meals – Food Allergy / Dietary Restrictions Card (*if applicable*)

Campsite Assignments

Upon arrival at camp, you will be given your campsite assignment. Whenever possible, participants from the same Pack will be grouped together at the same campsite so be sure to include your Pack number or indicate the families you'd like to camp with during the registration process.

Meals / Dietary Needs

All meals are provided in our camp dining hall starting with Saturday breakfast and including Saturday lunch, Saturday dinner and Sunday breakfast. All campsites have drinking water. Additional snacks, treats and drinks are available for purchase in the Trading Post.

Campers with special dietary needs, including allergies, must be noted during the online registration process so the proper accommodation can be made. You will receive your food allergy / dietary restrictions card at check-in. We will try to accommodate dietary needs as much as possible.

Health Lodge / Headquarters

The Health Lodge is staffed 24 hours a day by qualified medical personnel. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, must be reported to the Health Lodge and recorded. Arrangements have been made with the local rescue squads and hospitals to handle any medical emergencies.

Camper Care

R-C Scout Ranch has an elevation of over 6,700'. It is important that everyone **drinks lots of water** each day and stays hydrated.

It's vital for every camper to wash their hands regularly. All participants are required to wash their hands before meals and before and after each activity.

Water

All campsites have drinking water as well as water in the dining hall.

Latrines / Bathrooms

Latrine are located at each campsite. The latrines are stocked with toilet paper. If you run out of toilet paper, please notify Headquarters/Health Lodge. Campers need to keep the seats down and use the water bucket for rinsing latrine. Please no trash or items should be thrown into the latrine, this causes problems when pumping out and cleaning the latrines. There are also flushing bathrooms at the Dining Hall.

Camp Attire – Togas / Cub Scout Uniform

At the Greeks Greatest campout, citizens are encouraged to wear Togas. A Toga can be created by using a sheet, cutting into an appropriate size, draping and tying on the shoulders. Cording can be used for a belt. Please wear regular clothes under the Togas.

During the day, a Scout t-shirt and Scouts shorts or pants are great. For non-BSA members, we ask that attire be family appropriate and conservative.

For Cub Scouts, the official Scout uniform may be worn for evening flag ceremony, evening meal and campfire but is not required. The full field uniform consists of a Scout shirt, Scout belt, Scout pants or shorts with Scout socks. Cub Scouts wear the neckerchief for their den – Tigers, Wolf, Bear, Webelos and Arrow of Light, and they can wear their den hat too.

Lost Youth

Lost youth will be escorted to the Health Lodge and Camp Staff will be notified to help reunite the child with their family.

Lost & Found

Lost and found is located at the Health Lodge / Headquarters. Any items left at camp will be kept for two more weeks and then donated to local charities. After the event, please contact GCC.Program@GrandCanyonBSA.org regarding any loss items.

Parking

Cars may drop off items at the campsite. Then all cars must be parked in the main parking lot. They must be backed into their space and able to pull forward and exit the parking lot. This will allow an efficient exit should there be an evacuation. Cars may not remain at campsites.

Greeks Greatest Photo Site

Aphrodite, Goddess of Beauty, has asked the Demigods to create a beautiful and tranquil area where all Greek Citizens can take their pictures to remember this wonderful Greek outing.

Olympia Treasures (Trading Post)

The Demigods have worked hard to fill Olympia Treasures (Trading Post) with snacks, drinks and treasures. Please be sure to stop by and visit Olympia Treasures. Proceeds will benefit the Order of the Arrow White Tanks Chapter. *Thank you for your support.*

Greeks Greatest Camp Games

The Greek God Hermes has a team of Demigods who will guide and assist the Greek Citizens (Cub Scouts) to their appointed rounds. There are six Greek Games. As we get closer to the event, the games will be posted on the Calendar Event Detail page. Archery is an important skill for all Greek citizens and will be included in the Greek Games.

ARCHERY - In a safe and supervised environment, Greek citizens (Cub Scouts) will learn the fundamentals of this ancient and skillful sport. Under the guidance of experienced instructors, they will learn proper techniques for handling bows, aiming, and releasing arrows.

GREAT OUTDOORS

Greeks Greatest Campfire

Apollo, God of Music and Poetry, has commanded the Demigods to create an amazing and entertaining **Campfire** for all. The Greek Citizens are invited to attend this evening of fun and joy.

Caring For Your Campsite

By taking care of your campsite, it will help us to take care of the camp.

- No Litter in campsite or camp. All trash in trashcans.
- Campsite Campfire - It will be posted at Check-In if campsite fires are permitted. Ground cover (pine needles and leaves) must be removed only around fire areas.
- Please do not cut or damage the trees or plants at camp.
- Do not use the sinks to rinse food out as it can clog the drains.
- Hammocks must use straps that shield trees from abrasion.

Wildlife Safety

Citizens have an opportunity to observe many types of wildlife that includes deer, bats, raccoons, birds, skunks, turkey, snakes, coyotes, and amphibians. It is wise to remember that these animals are the permanent residents of the backcountry. Please make sure all campers remember to:

- ❖ Treat all animals with respect and observe from a distance.
- ❖ Do not follow, feed, tease or handle wildlife.
- ❖ Store all food in a secure place: personal vehicle, bear proof storage container, cooler that is strapped shut or 5-gallon bucket with screw on lid.
If you store food in your tent, in a bag or backpack, the critters will find the food and chew through the bags to get to the food.
- ❖ Keep your campsite clean! All trash should be removed from your campsite or secured each time you leave the campsite.
- ❖ If you decide to cook at your campsite, clean up immediately after the meal and pour your grey water (strained to remove food particles) into a nearby sink and rinse the sink with clean water. Please do not scatter your grey water near camp or dump it in a latrine. Food scraps will attract animals.
- ❖ If you discover a snake or an animal that is behaving strangely, please notify the camp staff immediately

Leaving Camp / Check-Out

Any time you would like to leave camp, please be sure to check-out at Health Lodge / Headquarters. It is important we know when you are gone.

At the end of camp, when you depart, please check-out at the Dining Hall back porch. At check-out, your BSA Health Forms will be returned to you. We will also kindly ask that you complete a survey, to help us make Camp Kaibab better each year. The check-out time for families is 11:00 a.m.

Tips for Family Camping

- Please label belongings so we can help get them back to you.
- Check the weather condition the week prior and day prior to the weekend to be better prepared.
- Practice setting up your tent prior to the weekend, especially if it is new. It is also good to have a tarp underneath your tent.
- For new items, remove them from all packaging prior to going camping.
- If you are using an air mattress, make sure it is in good shape and that you have the air pump and attachments.
- To stay warm at night, it is always good to have some type of insulation (mat, air mattress, cot) between you and the ground.
- Sleeping with a beanie can help keep you warm.
- Bring refillable water bottles to refill at the water stations throughout camp to stay hydrated.
- In case it is chilly during the day or evening, bring clothes you can layer to stay warm.
- Check head-lamps to make sure they work and you have extra batteries.
- Check lanterns. Make sure you have enough fuel or good batteries.
- In case it is chilly during the day or evening, bring clothes you can layer to stay warm.
