Welcome to Adventure Camp *on Safari*

Let's Go On Safari!

Adventure Camp is an exciting jungle excursion for Cub Scouts that are Tiger through Arrow of Light rank in the 2025-2026 School Year.

The adventures and activities are specific to each school grade level and rank. Tigers, Wolves and Bears complete adventures to earn their adventure loops that slide onto their Cub Scout's belt. Webelos and Arrow of Light Cub Scouts complete adventures to earn adventure pins that are placed on their Colors or den hat. When Cub Scouts complete Adventures, they are working towards earning their rank.

Welcome to the Jungle

Welcome to Camp Raymond

Welcome to the amazing Camp Raymond located between the Kaibab and Coconino National Forests, and is only 30 miles from downtown Flagstaff. Raymond is surrounded by some of the most beautiful terrain in Arizona.

From the east meadow, the morning view of the majestic San Francisco Peaks is glorious, and often the peaks are still covered with snow. Watch elk, pronghorn antelope, and deer graze as your day begins, then enjoy the 160+ acres of Camp Raymond.

We want to thank you for taking the time to explore the official 2025 Leaders' Guide, a comprehensive resource providing essential information to help you plan and prepare for an unforgettable summer camp experience. We strongly encourage all adults attending camp to read this guide in its entirety. For your convenience, the latest version of this document is always available [2025 Adventure Camp Registration](#)

Adventure Camp for Cub Scouts

Adventure Camp welcomes Cub Scouts to explore Camp Raymond. We have activities for Tigers, Wolves, Bears, Webelos and Arrow of Light Dens. During summer camp, the Cub Scout belongs to their upcoming school year den. For example, if during the last school year they were a Wolf, they will register and attend Adventure Camp as a Bear.

- All camp attendees including youth and adults, must be a registered summer camp participant.

All Youth Protection policies apply. Youth without a parent/guardian present must tent with other youth. At no time may another adult accept responsibility for more than one additional “non-family member” youth.

Reasons such as vacation schedule, summer school, and last-minute changes of mind are not acceptable reasons for refunds. Participants that leave camp during the session, for any reason, will not receive a refund. This is to help our council camps provide the very best program, since we sign contracts with our staff and vendors long before your family arrives on the property. **All refund requests must go through the camp registrar. The staff at camp are not authorized to make refund decisions.**

Camperships

Campership applications will open on December 1, 2024. Please submit your application early to increase your likeliness of being awarded a campership. A limited number of camperships are available to help Cub Scouts in need of financial assistance to attend any Grand Canyon BSA programs including, but not limited to, R-C Family Camp, R-C Horse Camp and Raymond Adventure Camp. We also now offer Camperships for out-of-council youth.

Follow this link to the Campership form on the Grand Canyon Council Support Center: www.grandcanyonbsa.org/forms/. The deadline to apply for campership is Wednesday, April 2, 2025.

Campership will be applied to the registration balance once approved. Please note, if a Scout does not attend the program a campership was awarded for, then they will forfeit their personal contributions. Additionally, camperships are awarded for a specific program and cannot be transferred to other programs.

BSA Annual Health and Medical Record *(Required)*

The event **does not** require a medical professional signature on the Annual Health and Medical form.

On arrival at camp, all campers must submit a BSA Annual Health and Medical Record – Part **A, B1 & B2** with immunization records written on B2 or attached and a copy of the family insurance card. The health form used for all scouting events is on the BSA website at:

[Annual Health and Medical Record | Boy Scouts of America \(scouting.org\)](http://www.scouting.org/health-and-safety/ahmr/)
www.scouting.org/health-and-safety/ahmr/

This record is provided as a fillable PDF, and members are encouraged to fill it out on their computer, then print the record (rather than printing the record and filling it out by hand). Doing this will improve the readability and accuracy of each member’s medical information.

While you may have other types of health forms, the only form accepted at camp is the BSA Annual Health and Medical Record.

About Camp

Latrines / Bathrooms / Showers

Latrine are located in each campsite as well as at the main field area. The latrines are stocked with toilet paper. If you run out of toilet paper, please notify Headquarters. Campers need to keep the seats down and use the water bucket for rinsing Latrine. Please no trash or items should be thrown into the latrine, this causes problems when pumping out and cleaning the latrines.

There are also flushing bathrooms on the north east side of the dining hall, the pool shower house and the north shower house.

Scout Uniform / Camp Attire

For Cub Scouts, the official Scout uniform is encouraged to be worn for evening flag ceremonies, evening meals and campfire. The full field uniform consists of a Scout shirt, Scout belt, Scout pants or shorts with Scout socks. Cub Scouts wear the neckerchief for their den – Tigers, Wolf, Bear, Webelos and Arrow of Light, and they can wear their den hat too.

During the day, a Scout t-shirt and Scouts shorts or pants are great. For non-BSA members, we ask that attire be Scout appropriate and conservative.

Lost & Found

Prior to arriving at camp, please be sure to clearly mark all personal items with your first and last name. This will help us return items to their owners prior to your departure. Lost and found is located at Headquarters. Any items left at camp will be kept for two more weeks and then donated to local charities.

Leaving Camp / Check-Out

Any time you would like to leave camp, please be sure to check-out at Health Lodge (24 Hour Staffing). It is important we know when you are gone.

At the end of camp, check-out is after the final morning scheduled activities. All campers must be off property by 3:00 p.m. at the latest. If you need a special check-out time, please schedule in Headquarters.

Please be sure to check-out at Headquarters to pick-up your medical forms.

Trading Post

The Trading Post filled with clothing, souvenirs, camp essentials, snacks, drinks, and treats. If you forgot anything from home, check out the Trading Post. We have a lot of items to help you with those forgotten items.

The Great Outdoors

Caring For Your Campsite

By taking care of your campsite, it will help us to take care of the camp.

- No Litter in campsite or camp. All trash in trashcans.
- Ground cover (pine needles and leaves) removed only around fire areas.
- Please do not cut or damage the trees or plants at camp.
- Do not use the sinks to rinse food out as it can clog the drains.
- Hammocks must use straps that shield trees from abrasion.
- In the vault bathrooms, please keep the toilet lids closed.

Wildlife Safety

Campers have an opportunity to observe many types of wildlife that includes deer, bats, raccoons, birds, skunks, turkey, snakes, coyotes, and amphibians. It is wise to remember that these animals are the permanent residents of the backcountry. Please make sure all campers remember to:

- ❖ Treat all animals with respect and observe from a distance.
- ❖ Do not follow, feed, tease or handle wildlife.
- ❖ Store all food in a secure place: personal vehicle, bear proof storage container, cooler that is strapped shut or 5-gallon bucket with screw on lid.
If you store food in your tent, in a bag or backpack, the critters will find the food and chew through the bags to get to the food.
- ❖ Keep your campsite clean! All trash should be removed from your campsite or secured each time you leave the campsite.
- ❖ If you decide to cook at your campsite, clean up immediately after the meal and pour your grey water (strained to remove food particles) into a nearby sink and rinse the sink with clean water. Please do not scatter your grey water near camp or dump it in a latrine. Food scraps will attract animals.
- ❖ If you discover a snake or an animal that is behaving strangely, please notify the camp staff immediately.
