Welcome to Horse Camp

Welcome to the breathtaking R-C Scout Ranch, nestled along the scenic Christopher Creek and surrounded by the awe-inspiring beauty of one of the world's largest Ponderosa Pine forests. R-C is the perfect setting for youth to have an amazing outdoor experience with horses.

Horse Camp is focused on youth spending time and interacting with our horses. It is the perfect introduction to horses, where youth learn how to properly feed and care for the horses. They go on horseback trail rides and have fun playing games and doing crafts. The horseback trail rides will only be for the youth campers.

Youth campers, Wolf Rank or in the Second grade, are welcome to participate in Horse Camp.

Welcome to Horse Camp

Welcome to the breathtaking R-C Scout Ranch and Horse Camp. Our stables are located at the south base of our camp. This is the home of our horses. Horse Camp for our youth campers is also held at the stables ramada. During Horse Camp, youth will have an opportunity to meet all the horses and each camper will be assigned their very own horse. They will go on trail rides that cross Christopher Creek and wind through the amazing Ponderosa Pine forest. Horse Camp is a fun and interactive session for youth.

Reasons such as vacation schedule, summer school, and last-minute changes of mind are not acceptable reasons for refunds. This is to help our council camps provide the very best program, since we sign contracts with our staff and vendors long before your family arrives on the property. **All refund requests must go through the camp registrar. The staff at camp are not authorized to make refund decisions.**

Camperships

Campership applications will open on December 1, 2024. Please submit your application early to increase your likeliness of being awarded a campership. A limited number of camperships are available to help Cub Scouts in need of financial assistance to attend any Grand Canyon BSA programs including, but not limited to, R-C Family Camp, R-C Horse Camp and Raymond Adventure Camp. We also now offer Camperships for out-of-council youth.

Follow this link to the Campership form on the Grand Canyon Council Support Center:

<https://247scouting.com/forms/010-financialassistancewww.grandcanyonbsa.org/forms/>.

The deadline to apply for campership is Wednesday, April 2, 2025.

Campership will be applied to the registration balance once approved. Please note, if a Scout does not attend the program a campership was awarded for, then they will forfeit their personal contributions. Additionally, camperships are awarded for a specific program and cannot be transferred to other programs.

BSA Annual Health and Medical Record (Required)

The event **does not** require a medical professional signature on the Annual Health and Medical form.

On arrival at camp, all campers must submit a BSA Annual Health and Medical Record – Part A, B1 & B2 with immunization records written on B2 or attached and a copy of the family insurance card. The health form used for all scouting events is on the BSA website at:

[Annual Health and Medical Record | Boy Scouts of America \(scouting.org\)](http://www.scouting.org/health-and-safety/ahmr/)
www.scouting.org/health-and-safety/ahmr/

This record is provided as a fillable PDF, and members are encouraged to fill it out on their computer, then print the record (rather than printing the record and filling it out by hand). Doing this will improve the readability and accuracy of each member's medical information.

While you may have other types of health forms, the only form accepted at camp is the BSA Annual Health and Medical Record.

Arrival

For a few days, this will be your home away from home and we want to make sure you enjoy your time at R-C.

Check-in is from 9:00 a.m. to 10:00 a.m. on Tuesday. Upon your arrival, you will be greeted at the front gate by camp staff, and they will give you directions on your check-in procedures. Late arrivals must notify camp management at Headquarters/Health Lodge to receive check-in instructions.

At Check-In you will receive

- ❖ Your Campsite Assignment
- ❖ Your Horse Camp Schedule
- ❖ R-C Scout Ranch Map
- ❖ Wristband for each Camper for Meals
- ❖ Meals – Food Allergy / Dietary Restrictions Wristband (*if applicable*)

Campsite Assignments

Upon arrival at camp, you will be given your campsite assignment. Whenever possible, participants from the same Pack will be grouped together at the same campsite so be sure to include your Pack number or indicate the families you'd like to camp with during the registration process.

Meals / Dietary Needs

All meals are provided in our camp dining hall starting with lunch on day one and all campsites have drinking water. Additional snacks, treats and drinks are available for purchase in the Trading Post.

ABOUT CAMP

Meals / Dietary Needs Continued

Campers with special dietary needs, including allergies, must be noted during the online registration process so the proper accommodation can be made. You will receive your food allergy / dietary restrictions wristband at check-in.

Health Lodge / Headquarters

The Camp Health Lodge is staffed 24 hours a day by qualified medical personnel. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, no matter how minor, must be reported to the Health Lodge and recorded. Arrangements have been made with the local rescue squads and hospitals to handle any medical emergencies.

Camper Care – Drinking Water

R-C Scout Ranch has an elevation of over 5,000'. It is important that everyone **drinks lots of water** each day and stays hydrated. All campsites have drinking water / water jugs as well as water in the dining hall.

Camper Care – Washing Hands

It's vital for every camper to wash their hands regularly. All participants are required to wash their hands before meals. We strongly encourage everyone to utilize our centralized hand washing station behind the dining hall.

Latrines / Bathrooms / Showers

Latrine are located in or next to campsites as well as by the field, cabin 5, near the stables and the parking lot. The latrines are stocked with toilet paper. If you run out of toilet paper, please notify Headquarters. Campers need to keep the seats down and use the water bucket for rinsing latrine. Please no trash or items should be thrown into the latrine, this causes problems when pumping out and cleaning the latrines.

There are also flushing bathrooms next to the entrance to the dining hall as well as in the Shower House.

Scout Uniform / Horse Camp Attire & Shoes

For Horse Camp, all participants must wear long pants - jeans are preferred. Participants must wear closed-toed shoes - tennis shoes work the best. Hiking boots tend to be too bulky. Crocs, hiking sandals and steel toed boots are not allowed.

For Cub Scouts, the official Scout uniform is encouraged to be worn for evening flag ceremonies, evening meals and campfires. The full field uniform consists of a Scout shirt, Scout belt, Scout pants or shorts with Scout socks. Cub Scouts wear the neckerchief for their den – Tigers, Wolf, Bear, Webelos and Arrow of Light, and they can wear their den hat too.

During the day, a Scout t-shirt and Scouts shorts or pants are great. For non-BSA members, we ask that attire be family appropriate and conservative.

Lost & Found

Prior to arriving at camp, please be sure to clearly mark all personal items with your first and last name. This will help us return items to their owners prior to your departure. Lost and found is located at the Health Lodge / Headquarters. Any items left at camp will be kept for two more weeks and then donated to local charities.

Leaving Camp / Check-Out

Any time you would like to leave camp, please be sure to check-out at Health Lodge / Headquarters (24 Hour Staffing). It is important we know when you are gone.

At the end of camp, check-out is after the final morning scheduled activities. The check-out time for all families is by 3:00 p.m. If you need a special check-out time, please schedule in Headquarters.

Please be sure to check-out at Headquarters to pick-up your medical forms.

Trading Post

R-C has a Trading Post filled with clothing, souvenirs, camp essentials, snacks, drinks, and treats. If you forgot anything from home, check out the Trading Post. We have a lot of items to help you with those forgotten items.

Caring For Your Campsite

By taking care of your campsite, it will help us to take care of the camp.

- No Litter in campsite or camp. All trash in trashcans.
- Ground cover (pine needles and leaves) removed only around fire areas.
- Please do not cut or damage the trees or plants at camp.
- Do not use the sinks to rinse food out as it can clog the drains.
- Hammocks must use straps that shield trees from abrasion.

Wildlife Safety

Campers have an opportunity to observe many types of wildlife that includes deer, bats, raccoons, birds, skunks, turkey, snakes, coyotes, and amphibians. It is wise to remember that these animals are the permanent residents of the backcountry. Please make sure all campers remember to:

- ❖ Treat all animals with respect and observe from a distance.
- ❖ Do not follow, feed, tease or handle wildlife.
- ❖ Store all food in a secure place: personal vehicle, bear proof storage container, cooler that is strapped shut or 5-gallon bucket with screw on lid.
If you store food in your tent, in a bag or backpack, the critters will find the food and chew through the bags to get to the food.
- ❖ Keep your campsite clean! All trash should be removed from your campsite or secured each time you leave the campsite.
- ❖ If you decide to cook at your campsite, clean up immediately after the meal and pour your grey water (strained to remove food particles) into a nearby sink and rinse the sink with clean water. Please do not scatter your grey water near camp or dump it in a latrine. Food scraps will attract animals.
- ❖ If you discover a snake or an animal that is behaving strangely, please notify the camp staff immediately.
