---

I grant Central Arizona Project (CAP) permission to use mine or my child's image or likeness in photography or video in any and all publications or video productions for internal or external uses without payment or any other consideration in perpetuity.

I authorize CAP to edit, alter, copy, exhibit, publish or distribute this photo or video, and I waive the right to inspect or approve the finished product where mine or my child's image appears.

I further agree to release the directors, officers and management of CAP as well as their agents, employees and assigns, from any and all claims by reason of the use, reproduction or distribution of any and all video recording(s) and photographs.
