## Welcome to the Cub Scout Lei'd Back Lu-Wow!

We want your ohana (*family*) to have an amazing outdoor weekend experience. We are the **Order of the Arrow White Tanks Chapter**, and we are honored to be coordinating **CAMP KAIBAB** for Cub Scouts and their families.

## Hawaiian Islands (Camp Raymond)

Located between the Kaibab and Coconino National Forests, Camp Raymond is only 30 miles from downtown Flagstaff, and is surrounded by some of the most beautiful terrain in Arizona.

From the east meadow, the morning view of the majestic San Francisco Peaks is glorious. Watch elk, pronghorn antelope, and deer graze as your day begins, then enjoy the 160+ acres of Camp Raymond.

## *Family Fun*

We want this Cub Scout Campout to be a great outdoor experience for all while enjoying well-equipped camping sites. Bring your own tent and set up in scenic flat sites with running water, shelters, and latrines. All meals are served in our state-of-the-art dining hall.

You can learn more about what make **CAMP KAIBAB** special in our easy-to-follow Parents' Guide. Any questions, please email [GCC.Program@ScoutingAZ.org](mailto:GCC.Program@ScoutingAZ.org). This email is monitored every business day. We look forward to seeing you in the great outdoors!

Yours in Scouting,

*Josh Main – Camp Director | OA White Tanks – Vice Chief of Events*

*Brodie Hanzlik – Asst. Camp Director | OA White Tanks – Vice Chief of Communications*

# REGISTRATION

Mahalo (thank you) for taking time to explore the 2025 Cub Scout Lei'd Back Lu-Wow Parents' Guide, a resource providing essential information to help you plan and prepare for an unforgettable outdoor weekend experience. We strongly encourage all adults attending camp to read this guide in its entirety. For your convenience, the latest version of this document is always available at GCC Calendar – Camp Kaibab – Registration Site.

## **Event Registration**

Register at Grand Canyon Council Calendar – Camp Kaibab  
<https://scoutingevent.com/010-Kaibab25>

Please be sure to fill out the entire registration form with your contact information, participant information, Pack #, dietary needs and special needs. Please also include information on your youth's rank (if applicable) and grade.

*Cub Scouts (Lion through AOL) may participate in the Range and Target Activities – Archery. Lions and Tigers will need help from their adult partner. Cub Scouts (Tiger through AOL) may participate in the Range and Target Activities – BB Guns. If a Scout does not feel comfortable participa*

This registration information helps us to provide your family with a great camping experience. Within the family registration, youth must be accompanied by at least one parent or an adult family member (over 21 years of age). This event will be held – rain or shine!

## **BSA Annual Health and Medical Record (REQUIRED)**

On arrival at camp, all campers must submit a BSA Annual Health and Medical Record – Part A, B1 & B2 with immunization records written on B2 or attached and a copy of the family insurance card. The health form used for all scouting events is on the BSA website at:

**[Annual Health and Medical Record | Boy Scouts of America \(scouting.org\)](https://www.scouting.org/health-and-safety/ahmr/)**  
**[www.scouting.org/health-and-safety/ahmr/](https://www.scouting.org/health-and-safety/ahmr/)**

This record is provided as a fillable PDF, and members are encouraged to fill it out on their computer, then print the record (rather than printing the record and filling it out by hand). Doing this will improve the readability and accuracy of each member's medical information.

While you may have other types of health forms, the only form accepted at camp is the BSA Annual Health and Medical Record.

The event **does not** require a medical professional signature on the Annual Health and Medical form.

# REFUND POLICY

## Refund Policy

If you need to request a refund, a Refund Request Form must be fully completed and submitted with the required documentation. The form is located at [GCC Refund Request Link](#).

For this event, the refund policy is:

0 - 10 days .....	0%
11 - 30 days.....	50%
31+ Days .....	100%

Refund requests received after a program has begun will be considered if there are extraordinary circumstances and the maximum refund will be 50%. Examples include: documented medical reason (doctor's note required), a death in the immediate family, or a natural disaster. No refund requests will be accepted after ten (10) days following the end of the applicable activity.

Approved refunds will be processed within thirty (30) days of their receipt in writing and made either by check or by credit card reversal, at the discretion of our council staff, to the original payer for individual registrations or the unit, in care of the reservation contact, for group reservations (Summer Camp, Winter Camp, etc.).

Any event canceled by our council will result in full refunds of all funds paid. If an activity is postponed by our council and the participant cannot attend on the alternate date, the payer may ask for a refund of the full fee, or a credit for the full fee paid, which may be applied towards the cost of future events within one calendar year.

Recognizing that we are here to "help other people at all times," regardless of the policies set out above, full or partial refunds may be granted for special hardship cases. Special hardship cases may include personal illness or family emergencies. Special hardship case refunds will be promptly considered and granted or denied by our Council Campership and Refund Committee, under the Vice President-Program.

## **Campsite Assignment**

For your campsite assignment, whenever possible, participants from the same Pack will be grouped together at the same campsite. Be sure to include your Pack number and you can indicate the families you'd like to camp with during the registration process.

## **Medical Check-In**

Your next step after checking in, is checking in with the Health Officer. Your **required** BSA Medical Forms will be reviewed and please let the Health officer know of any medical issues.

## **Island Guide – Camp Orientation**

Your final step is to meet with your Island Guide who will review important information with your entire family. This brief orientation is one of the required camp guidelines we must follow.

## **Vehicles in Camp**

Please follow the posted speed limit while driving in camp. Campers may drive to their campsite to unload cars. As you are driving to your campsite and returning to park in the main parking lot, please be careful of campers and staff walking in camp. Cars may not stay at the campsite or in the camp.

## **Parking in Main Parking Lot**

All cars must be parked in the main parking lot at the entrance of camp and **must be backed into their space** and able to pull forward to exit the parking lot. This will allow an efficient exit should there be an evacuation.

## **Meals / Special Dietary Needs**

All meals are provided in our camp dining hall starting on Saturday with breakfast, lunch and diner and including Sunday breakfast. All campsites have drinking water. Additional snacks, treats and drinks are available for purchase in the Bamboo Hut Trading Post.

Campers with special dietary needs, including allergies, must be noted during the online registration process so proper accommodation can be made. You will receive your food allergy / dietary restrictions wristband at check-in. We will try to accommodate special dietary requests as much as possible but we cannot guarantee we can accommodate all special dietary needs.

## **Health Lodge**

The Health Lodge is staffed 24 hours a day by qualified medical personnel. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, must be reported to the Health Lodge and recorded. Arrangements have been made with the local rescue squads and hospitals to handle any medical emergencies.

# CHECK-IN

## Headquarters

Camp headquarters is located at the dining hall on the back porch next to the camp road. It will be staffed during the event. If you arrive late or plan to leave the camp, please always check-in or check-out at Headquarters.

## Camper Care

R-C Scout Ranch has an elevation of over 6,700'. It is important that everyone **drinks lots of water** each day and stays hydrated.

It's vital for every camper to wash their hands regularly. All participants are required to wash their hands before meals and before and after each activity.

## Water

All campsites have drinking water.

## Latrines / Bathrooms

Latrine are located at each campsite. The latrines are stocked with toilet paper. If you run out of toilet paper, please notify Headquarters/Health Lodge. Campers need to keep the seats down and use the water bucket for rinsing latrine. Please no trash or items should be thrown into the latrine, this causes problems when pumping out and cleaning the latrines. There are also flushing bathrooms at the Dining Hall.

## Lost Youth

Lost youth will be escorted to the Health Lodge and Camp Staff will be notified to help reunite the child with their family.

## Lost & Found

Lost and found box is located in the Dining Hall. Be sure to check prior to leaving camp, often campers do not realize they have lost an item.. Any items left at camp will be kept for two more weeks and then donated to local charities. After the event, please contact [GCC.Program@ScoutingAZ.org](mailto:GCC.Program@ScoutingAZ.org) regarding any loss items.

# CAMP ATTIRE

## Camp Attire – Hawaiian Apparel / Cub Scout Uniform

At the Lu-Wow campout, campers are encouraged to wear Hawaiian apparel. During the day, a Cub Scout may also wear their Pack t-shirt. For non-BSA members, we ask that attire be family appropriate and conservative.

For Cub Scouts, the official Cub Scout uniform may be worn for evening flag ceremony, evening meal and campfire but is not required. The full field uniform consists of a Scout shirt, Scout belt, Scout pants or shorts with Scout socks. Cub Scouts wear the neckerchief for their den and they can wear their den hat too or a uniform as designated by their Pack.

# GREAT OUTDOORS

## **Caring for your Campsite**

By taking care of your campsite, it will help us to take care of the camp.

- No Litter in campsite or camp. All trash in trashcans.
- Trash must be taken to the dumpster next to the dining hall at the end of the campout. Trash may not be left at the campsite.
- Hammocks must use straps that shield trees from abrasion.
- Please do not cut or damage the trees or plants at camp.
- Do not use the sinks to rinse food out as it can clog the drains.

## **Campfires at your Campsite**

- Campsite Campfire - It will be posted at Check-In if campsite fires are permitted.
- Ground cover (pine needles and leaves) must be removed only around fire areas.
- To extinguish your campfire, use water and then use a shovel to make sure water has extinguished all parts of the fire.

## **Wildlife Safety**

Campers have an opportunity to observe many types of wildlife that includes deer, bats, raccoons, birds, skunks, turkey, snakes, coyotes, and amphibians. It is wise to remember that these animals are the permanent residents of the backcountry. Please make sure all campers remember to:

- ❖ Treat all animals with respect and observe from a distance.
- ❖ Do not follow, feed, tease or handle wildlife.
- ❖ Store all campsite food in a secure place: personal vehicle, bear proof storage container, cooler that is strapped shut or 5-gallon bucket with screw on lid.  
If you store food in your tent, in a bag or backpack, the critters will find the food and chew through the bags to get to the food.
- ❖ Keep your campsite clean! All trash should be removed from your campsite or secured each time you leave the campsite, otherwise critters will get into the trash.
- ❖ If you decide to cook at your campsite, clean up immediately after the meal and pour your grey water (strained to remove food particles) into a nearby sink and rinse the sink with clean water. Please do not scatter your grey water near camp or dump it in a latrine. Food scraps will attract animals.
- ❖ If you discover a snake or an animal that is behaving strangely, please notify the Ranger immediately

## **Leaving Camp / Check-Out Required**

Any time you would like to leave camp, please be sure to check-out at Headquarters (back of dining hall porch). It is required for campers to check-out, so we know when you are no longer on the property. At the end of camp, when you depart, please check-out at the Dining Hall back porch.

## **Event Survey**

After you return home, you will be emailed a survey. Please take a few minutes to complete the survey. Your feedback helps to improve our events. We also love to hear what went well too!

## Tips for Family Camping

- Please label belongings so we can help get them back to you.
- Check the weather condition the week prior and day prior to the weekend to be better prepared.
- We also recommend always being prepared for sunny days, cool weather, chilly nights and possible rain. A prepared Cub Scout is a Happy Cub Scout!
- Practice setting up your tent prior to the weekend, especially if it is new. It is also good to have a tarp underneath your tent.
- For new items, remove and discard all packaging prior to going camping.
- If you are using an air mattress, make sure it is in good shape and that you have the air pump and attachments. It is best to test the pump, prior to camp.
- To stay warm at night, it is always good to have some type of insulation (mat, air mattress, cot) between you and the ground.
- If you tend to get cold at night, we recommend bringing a blanket(s) to use along with that sleeping bag.
- Sleeping with a beanie can help keep your head and you warm.
- Bring refillable water bottles to refill at the water stations throughout camp to stay hydrated.
- In case it is chilly during the day or evening, bring clothes you can layer to stay warm.
- Always bring rain gear / poncho in case it rains.
- Check head-lamps to make sure they work and you have extra batteries.
- Check lanterns. Make sure you have enough fuel or good batteries.
