Good Afternoon!

We can have the Boy Scouts set up on the weekends of 2/13/26, 3/6/26 and 4/10/26 if this works for you?

Suggested times to operate would be from 10-2 on those weekends as we have the most traffic at those times. You can feel free to bring a pop-up canopy to use as well. All we ask is that it be secured with weights to prevent it from moving.

Please check in with the front desk when you arrive.

Let me know if this works for you!

Good afternoon Suzanne,

Thanks for calling me back.

We're looking to organize some storefront dates for our Scouts between February 13th - April 12th during our discount card fundraiser. Just emailing to confirm which dates you'd be able to offer. Typically, our Scouts sell most often on Fridays evenings, Saturdays, and Sundays during business hours, but it's up to you and what fits with the Girl Scouts requests as well.

For reference, I've attached our form that we use. Please confirm which dates you're able to offer (and times if not during business hours). We'd like to make sure we have written confirmation of dates via the form or a simple email so we can make sure we offer the right schedule to our Scouts.

Please give me a call back at (509) 389-1887 if you have any further questions. Thanks!

Jordan
