ARIZONA GAME RANGER FRATERNAL ORDER OF POLICE LODGE # 71

ARIZONA GAME RANGER CHARITY FOUNDATION

ROSE CANYON LAKE YOUTH FISHING CLINIC

The Arizona Game Ranger Lodge FOP #71 (AGRL) is a Fraternal Order of Police Lodge comprised of current and retired Game Rangers from the Arizona Game and Fish Department. The Game Ranger Charity Foundation arm of the Lodge is a 501c3 charity and is committed to affording the opportunity to participate in outdoor oriented activities to segments of the community that may not have these opportunities available to them.

The Arizona Game Ranger FOP Lodge #71 will be hosting a youth fishing clinic at Rose Canyon Lake on Mt. Lemmon on Saturday, April 6, 2025, from 8:00 to 2:00. This will be a closed event available only to Scouts from Scouting America (formerly Boy Scouts) with the Catalina Council and youth affiliated with the La Frontera Center. La Frontera is a multi-faceted community service organization that aims to support youth from challenged backgrounds in experiencing a safer, stronger, and healthier community.

AGRL members, Arizona Game and Fish Department employees, and volunteers from various organizations will be on hand to assist and mentor youth in fishing for trout at the lake. Tackle will be provided to the children that do not have their own, but participants are welcome to bring their own if they prefer. Lunch will be provided and various

awards to the youth participating in the event will be handed out at the end of the fishing day.

This event is a community-based collaborative event between the AGRL Charity Foundation, the La Frontera Center, the Arizona Game and Fish Department, the U.S. Forest Service Coronado National Forest Santa Catalina District, and the Scouts BSA, Catalina Council.

Any donations in the form of cash, food, fishing tackle and door prizes would be greatly appreciated and are tax deductible. A charitable donation letter from AGRL with the needed EIN can be issued if requested. Any cash donations should be directed to Game Ranger Charities.
