

CATALINA COUNCIL NYLT

312 ATMOSPHERE

The rules of acceptable behavior for NYLT Courses are very simple:

We follow the 3 parts of the Scout Oath (3)

We follow the 12 points of the Scout Law (12)

Both together, 312, make up the type of environment or atmosphere that is the only acceptable behavior that will be tolerated during any NYLT event. The 312 Atmosphere will be observed by both participants and staff.

We strive to create a place where bullying, sexual harassment, hazing, physical abuse, and verbal abuse will not be tolerated. Any physical bullying, hazing or any type of physical altercation will cause the scout to be removed from the course. One strike and you are out.

Likewise, verbal hazing, bullying and the use of profanity will also not be tolerated. A scout will be given one warning for a verbal issue. If another instance occurs, they will be removed from the course. 2 strikes and you are out.

As part of the 312 Atmosphere, you are obligated to report any violations to an adult, preferably the Course Director.

Refunds will not be given to those who are removed from an event due to violating the 312 Atmosphere.
