PROVISIONAL CAMPERS

The provisional camper program allows scouts to attend camp without their unit.

There are two types of provisional campers:

PROVISIONAL CAMPERS: Provisional campers become part of the GBSR provisional troop (male troop and female troop) for the duration of camp which is supervised by Staff Scoutmasters (male and female) and at least one additional adult leader. Provisional Troops are limited to 40 scouts, who are formed into patrols of 8. Availability is on a first come, first serve basis.

NOTE: Scouts attending as provisional campers should be of the maturity level that both parent(s) and Scoutmaster are confident that they can camp without their unit.

LEADERS

BSA National requires all leaders attending camp for more than 72 hours be registered leaders in the BSA with YPT training completed. Each unit must provide at least two adult leaders with current YPT training. **To verify YPT certificates upon check in, please bring either a copy of the membership cards for your leaders OR a copy of your official recharter roster with the names of the leaders highlighted.**

ROTATING / PARTIAL CAMP LEADERS

Consistent leadership throughout camp has proven to work best for the units and camp. When it is necessary, leaders may rotate in/out and share a single leader fee. We ask that rotating leadership sign in and out of the camp office when a leadership change occurs and that the camp wristband be passed to the incoming leader. Also, please be aware that extra camp patches and leader recognitions will not be available for multiple leaders sharing the same leader slot.

ARRIVAL TIMES

Units should plan to arrive at camp no earlier than 12:00 p.m. and no later than 1:00 p.m. on November 19th.

Provisional Scouts have a special check-in time. Please arrive by 11:00 a.m. (lunch is not provided)

The first scheduled activity at Winter Camp will be at 1:00 p.m. on day one, followed by the first Merit Badge classes. Your group should arrive with plenty of time to set up camp and prepare for the day.

CHECK-IN

Upon check in you will meet with your Troop Guide who will guide you through the check in process. Be sure to have all of the required documentation for check-in. Each unit will be guided through check-in in such an order as to prevent any one area becoming too congested.

The check-in procedure will include the following:

- Medical Screening; Screening Forms and Health Forms collected.
- Paperwork Check; any outstanding payments settled.
- Camp Orientation and Tour

The check-in process may be changed in the event of inclement weather.

PRE-CAMP SWIM CHECKS

No swim tests will be conducted at Winter Camp. Only Scouts in the Sea to Sea Trek will be required to submit proof of swim test prior to camp. Units may conduct swim tests prior to camp (following BSA guidelines listed on the form). Please ensure that the date the swim test was conducted is within 12 months of the starting date of your unit’s week at camp. Please bring a copy of the form with the unit to camp. As per BSA NCAP standards, the aquatics director reserves the right to retest any scout for any reason, if the director is concerned for the safety of any participants.

HEALTH LODGE

The camp health lodge is staffed 24 hours a day by qualified health officers who will handle all minor injuries, scrapes and bruises, etc... Any person requiring care outside of the scope of the health lodge will be referred to urgent care or the emergency room of the local hospital. For insurance purposes and for the health and safety of all participants, all accidents and illnesses, must be reported to the Health Lodge and recorded.

ANNUAL HEALTH AND MEDICAL RECORD (HEALTH FORMS)

This is the area that causes the most issues at check-in so please adhere to the policies listed below. WE CANNOT MAKE EXCEPTIONS to the health form requirements as it is a violation of National Camp Standards.

Annual Health and Medical Records completed and dated within the last 12 months are required for all campers and leaders who are on property during camp. Here are some very important points regarding the Health and Medical Records:

- Parts A, B, and C will be collected at check-in.
- Please understand that it is the responsibility of EACH PARENT to ensure that their scout has the correct medical forms. It is not camp's responsibility to track down the forms from scoutmasters, the OA etc. There is NO FILE OF HEALTH FORMS at camp or the council office from previous activities. A new form must be brought to camp either with the unit or the scout.
- Rotating leaders on property also require form A and B. Part C is required for rotating leaders on property for more than 72 consecutive hours.
- The Annual Health and Medical Record is located under the resources section of the winter camp page. This is THE ONLY FORM allowed. Sports and school physicals will not be accepted.
- This form is a fillable PDF (Parts A and B). A typed form is preferred over a handwritten form for legibility purposes.
- All information should be filled out COMPLETELY including immunization and emergency contact information.
- **Please only send COPIES (clean and easy to read) of your health form to camp.**
- Do not mail, email or bring health forms to the council office prior to camp. All health forms should be printed brought to camp.
- Units can assist us by pre-checking all health forms to ensure they are accurate and complete and neatly organized in a binder alphabetically. It is easiest for us if the forms are NOT in page protectors.
- Health Forms that note prescription medications or have noted health issues should be separated out, as they will be checked in at a separate station.
- **PLEASE READ THIS!!!! If you do not have the complete and correct health forms you will not be permitted to check into camp.**

TRIPS TO THE HOSPITAL OR DOCTOR

It is the responsibility of the unit leadership to provide transportation for the unit member(s) requiring attention from a doctor or a hospital, unless the Health Officer determines that emergency transport is necessary. One adult leader from the unit, and one additional adult leader, will accompany the unit member(s) requiring services and is asked to carry insurance forms in for completion. He/she must obtain the Scout's health and medical form from the Health Lodge before going to the doctor or hospital. Parents or guardians will be notified by the Camp Director immediately of any serious illness or injury. If parents will not be at home while the scout is at camp, have them advise the unit how they can be contacted. The Camp Medical officer must clear all cases requiring outside medical care. The following medical facilities are the designated camp providers:

Conway Regional Medical Center: 2302 College Ave, Conway, AR, 72034

ACCIDENT AND SICKNESS INSURANCE

Each camper and leader should have a copy of his or her personal health/accident insurance card attached to their health form. The Boy Scouts of America - Council Accident and Sickness Insurance Plan provides secondary coverage for registered Scouts. Quapaw Area Council provides insurance for all units registered in the council.

Reminder: out-of-council units need to provide copies of their local council's accident and sickness insurance information. This can be submitted during check-in.

MEDICATIONS

Prior to arrival at camp, units should fill out the Medication Dosing Form for each unit member taking medication. Use one form/sheet for each camper. The medication, dosage, and dosage schedule should be recorded. Each unit should be prepared to show these forms at check-in to the Camp Health Officer, and then keep them updated throughout the unit's week at camp. We will ask that you leave these completed forms at camp when you depart. We will maintain them safely in the permanent camp medical files.

Prescription medication should be in the original container with the medication name, strength, dose and frequency marked on the container. Any Over the Counter Medications brought with camper(s) should be labeled clearly and listed on the BSA Health Forms. Any medications that can be dispensed, such as Motrin, Benadryl, should be listed or included. Aspirin will not be given to campers under 18 years old. Aspirin will only be given, if risk for stroke or heart attack, per medical dispatch.

Generally, all medication will be dispensed in the unit area by a responsible adult leader. Medication should be kept in a locked box issued by the camp. Medication requiring refrigeration or injection may be kept in the Health Lodge. This medication may be dispensed by the Camp Health Officer or the unit leader. It remains the responsibility of the unit leader to assure that the scout is present at the appropriate times for medication.

Be sure to properly fill out the Health Form regarding medications and make sure to check the yes/no boxes regarding the administration of over-the-counter medicine.

Important Note: If the BSA Medical Form indicates that an individual must have an inhaler, EpiPen® or similar medical device, the health officer must confirm that the individual has the required item(s) in their possession. If the items are not in possession of the camper or leader, they must either obtain the items indicated on the form or the individual will be required to leave camp.

CAMP T-SHIRTS

All campers (youth and adults) may purchase a Winter Camp T-shirt for \$10.00, if ordered prior to November 1st. All shirts will be available for Pick Up at Check-in.

DIRECTIONS TO CAMP

From US-65 turn west onto AR-124. In 2.2 miles turn right (west) onto Spires Rd followed by a right (north) turn in 0.5 miles onto Hall Hendren Ln. The Reynolds Training Center will be on your left in 1.1 miles.

FOOD SERVICE

NO ASSIGNED SEATING: Participants may sit anywhere they like during meals. If units prefer to sit together, one adult may enter the dining hall and mark the tables for the unit. For breakfast and dinner units are dismissed from the flag ceremony on the activity field. Lunch is first come/first served.

DINING HALL SERVICE: The Dining Hall serves cafeteria-style meals utilizing two serving lines to expedite service. Diners should not leave the dining hall until the entire dining hall is dismissed.

DINING HALL CLEAN UP: Each troop is expected to thoroughly clean their area after each meal. This includes throwing out all trash, wiping down tables and benches, sweeping the floor under

and around tables.

HAND WASHING: To prevent camp illnesses, everyone should wash / sanitize their hands prior to each meal. Hand washing sinks and sanitizing stations are located at each entry door.

SPECIAL DIETARY CONCERNS: If you have special dietary needs that cannot be met within the realm of the camp menu, you will need to bring appropriate substitutions with you. We find it is easier on the scout and the kitchen staff if the dietary needs are significant, that complete, frozen meals be provided which can be microwaved. If the need requires substitutions (IE Non-dairy milk versus milk) we will have a special refrigerator in the dining hall where scouts can store their ingredients and access them at will. We ask that unit leaders take a lead role in ensuring that the proper substitutions are made for those scouts in their units with dietary needs.

LOST AND FOUND

Prior to coming to camp, Scouts should be encouraged to clearly mark all personal items with their name and troop number. Scouts are also encouraged to leave valuable, sentimental or hard to replace items at home. A lost and found box is located in the Camp Office. We ask that when things are found they are brought to the lost and found box.

MOBILITY NEEDS

Camp Commissioners will be able to provide cart transportation to Scouts with special mobility needs between merit badge sessions. Please contact the Camp Administration prior to your arrival to make these arrangements. There is a wheelchair accessible campsite with accessible showers and restrooms at camp. Campers may bring their own wheelchairs or motorized chairs.

PARENTS / VISITORS AT CAMP

Parents often remark at how much their son or daughters have grown during their week away from home. Camp provides an excellent opportunity for Scouts to mature in a safe environment.

ALL VISITORS must sign in and out of the Camp Office. We require each visitor to wear a security wristband.

SPECIAL NEEDS

If a Scout or adult needs some extra help to enjoy their camp experience, please let us know. Unit leaders should contact the Camp Administration prior to arrival regarding campers with special needs that require assistance from the camp staff. Most arrangements should be made in writing so the preparation can be accurate and complete. GBSR is not able to accommodate all possible special needs, but the staff will work diligently to make accommodations wherever possible.

SPENDING MONEY

We HIGHLY recommend that one adult leader in each troop serve as a banker for the youth. This prevents the loss of large amounts of money and allows leaders to help the youth pace their spending. The amount of spending money to bring to camp is at the discretion of the unit leaders / parents. We recommend about \$25 per scout.

TRADING POST

The Gus Blass Scout Reservation has a fully stocked Trading Post carrying Merit Badge pamphlets, uniforms, t-shirts, belts, equipment, handicrafts, toiletries, gift items, knives, GBSR souvenir items, snacks, beverages, and lots of neat stuff. We have everything you and your Scouts need for a fun and successful time at camp. There will be trading post merchandise available.

WI-FI AND CELL SERVICE

There is intermittent wireless and voice phone coverage at GBSR. Data service depends on the provider. There is wi-fi connectivity within certain areas of the camp, including in the Scoutmasters' Lounge.

NOTE: We have noticed an increasing issue with youth and cell phones becoming a disruption in classes and an impediment to youth interaction during activity and social times. For this reason we are asking units to collect and secure cell phones in the campsite during the day. Wifi will all require a password that we ask be kept for adult usage only AND youth will not be allowed to use cell phones during class unless required by their counsellor.

PREPARATION FOR MERIT BADGES AND OTHER CLASSES

Scouts should come to camp with a familiarity of the subjects they will be learning about for the week. It is also important to be familiar with:

- Prerequisites
- Equipment needed to complete a merit badge

PREREQUISITES: Some merit badges have requirements that cannot be completed at camp. Each merit badge that is listed in the camp guide identifies the prerequisite associated with the specific badge. The camp staff recommends that each merit badge that is selected by the Scout be reviewed, and the prerequisite requirements be completed prior to arrival at camp. This will ensure that the Scout leaves camp with as many completed merit badges as possible.

- **Prerequisite Approval Form:** This form can be found under the Resources section of the winter camp page. If the scout has completed the recommended prerequisites, he should fill out the form, have the scoutmaster verify and sign it and bring it to camp. This form should be turned in to the merit badge counselor at the beginning of the class.

The first requirement of many merit badges is to know first aid procedures for common injuries or illnesses that may occur during the associated activity. Counselors will touch upon this requirement, but Scouts should be familiar with basic first aid procedures before attempting more difficult or advanced merit badges.

- In some cases, the prerequisite for the selected badge requires that the Scout must have successfully completed another merit badge prior to the commencement of the current badge selected. If this is the case, camp staff asks that the Scout bring the prerequisite form signed by the Scoutmaster stating that the merit badge has been completed.
- Scoutmaster verification is also required for merit badges such as camping, which has a camping night requirement. (Submit on the Prerequisite approval form.)
- Some merit badges have requirements dealing with "your state" or "your community." If a merit badge requirement is completed at winter camp, we will use Arkansas as the relevant state. Requirements not possible to be completed in this manner will require the Scout to complete these requirements in their hometown, with their family, troop, school or in their community.

TREK SYSTEM

This year at Winter Camp, we will be using a trek style system. Scouts will sign up for a trek to be in all week. In that trek, Scouts will earn 4 or 5 associated merit badges. Under this system, we are unable to accommodate requests to change one merit badge in a trek in favor of another. Scouts may switch treks however switching merit badges within treks is not possible. If a participant already has a merit badge in their chosen trek, they will have the opportunity to further develop and hone those merit badge skills.

THEME DAYS

Campers are encouraged to join in on all our wacky and fantastic theme days! The week long theme at Winter Camp is "America, the Beautiful" daily activities and events will surround each daily theme. "Bonus points" for best costumes!

1. **Monday is 'Merica Day**
