WHY Should youth leaders attend National Youth Leadership Training (NYLT)?

The Scouts BSA NYLT course condenses a month in the life of a troop into an intense week or two weekends. Participants engage in a unique youth experience, applying modern leadership theories in a scouting environment. They explore team development stages, practice a "toolbox" of leadership skills, and discover the importance of vision, goals, and planning. The course empowers participants to be influential leaders inside their units and out.

NYLT Goals

- To develop a youth's confidence and leadership knowledge
- To gain understanding of the resources, skills and methods needed to undertake further leadership responsibility.
- To develop strong teamwork and collaboration skills.
- To share ideas and learn from the experiences of other youth from troops, crews, and ships.
- To develop the skills to work effectively with other youth and adults, both in and out of scouting
- To experience Scouting at its very best.

Who may attend?

Qualified candidates will meet the following criteria...

- First Class Scouts who are at least 13 years of age or Venture Crew members.
- Have completed Troop/Crew Leadership Training in their unit.
