

Social Distancing Guide for NYLT

- 1- Participants will tent alone
- 2- Packing list will include more clothing to encourage scouts to change often and store soiled clothes in bags not loose in tent.
- 3- Check in will include health/temperature screening by medical professional.
 - Have you been around anyone who tested positive for Covid the last 14 days?
 - Have you been around someone with pneumonia or high fevers the past 3 days?
 - Is anyone in your household sick?
 - Have you had the following symptoms in the past 3 days:
 - Cough, difficulty breathing, fever, runny or stuffy nose, loss of taste or smell, pink eyes, rash, vomiting, diarrhea, or stomach pain?
 - (Mild runny nose ONLY may be allergies this time of the year; although it could be a Covid symptom. We might be to be flexible if only runny nose).
- 4- CPR/First Aid trained staff plus a medical professional on call for us for advice and guidance if needed.
- 5- Temperature checks at check in (CDC recommends 100.4 as threshold) and throughout course, disposable masks/gloves will be available (participants may bring their own also)
- 6- Extra handwashing stations and hand sanitizer provided to patrols.
- 7- Reduced course size 4 patrols vs. 5-6 in previous years (20 participants max)
- 8- All food served to participants or provided in single serving portions (no "serve yourself")
- 9- We will be using disposable plates/cutlery so all servings are single use
- 10- All program areas set up outdoors to allow for increased separation and air circulation
- 11- Shower option provided and scheduled to encourage use.
- 12- All team activities are being modified to reduce personal contact. Masks will be required for any activity with less than 6ft distance.
- 13- Daily sanitizing of all program areas, restrooms, showers, etc
- 14- Separate tent provided for "isolation" if an individual becomes ill they will not return to their patrol site until determination can be made if they are staying or going home
- 15- By being closer to town we will also have the ability to obtain extra supplies or do laundry if needed which would have been more difficult at Camp Kern
