

# NYLT Staff Information Sheet 2021

National Youth Leadership Training (NYLT) provides youth leaders with leadership and teambuilding skills to manager Troop/Crew programs. As a previous participant, you have already experienced this valuable training which includes the stages of team development as well as a toolbox of additional leadership skills such as planning, conflict resolution and evaluation.

We are currently recruiting youth and adult staff positions for the 2021 NYLT Southern Sierra Council course. This is a great opportunity to provide service to your council and to other youth in the Scouting program. It is also an opportunity to enhance your own leadership, communication and servant leadership skills regardless of whether you are a youth or an adult.

## Details for consideration are as follows:

- 1- Youth must be at least 14 years old and have previously completed the NYLT course successfully.
