

What is NYLT?

An exciting, action-packed program provides youth with leadership skills and experience they can use in their troops, crews, and in other situations. Key concepts focus on what a leader must BE, what they must KNOW, and what they must DO, and are taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

Who can participate?

The Training is open to registered members of Scouts BSA troops who are 13 years old grade by the start of the course and have earned the First Class Rank. Venture scouts are also welcome to join us for a week of fun at NYLT!

The Scouts come away from their NYLT experience with exposure to the best of the best of leadership techniques. They will learn many valuable skills about how to create a vision of success, how to set goals and make plans, how to listen and solve problems, and how to teach and lead. Most of all, they learn the bigger picture of how to put the needs of others first in order to be a truly great leader. They learn to use the Scout Oath and Law to make hard decisions and to remain true to Scouting's values.

What to Expect at NYLT

NYLT is a challenging and rewarding six-day learning experience. It is not just another week of Scout Camp! Leadership is taught in a Troop setting to make the learning fun and allow immediate application of the leadership principles taught.

Patrols are created with participants from different units to allow them to make new friends and learn the steps involved in team building. Teamwork is reinforced by cooking meals, actively competing and working together as patrols throughout the experience.
