

Tribe of Oljato Degree

Revised 6/2016

The Tribe of Oljato is our way to promote the "Oljato Spirit" to our campers. This is a wonderful opportunity to participate in many of camp's varied activities which leads to an inspiring end-of-week tribal ceremony. Accordingly, the tribal advancements are monitored by the Senior Patrol Leader, but scoutmasters have much leeway in interpreting these guidelines as best fits your troop's needs.
