

Learn Math Through Movement

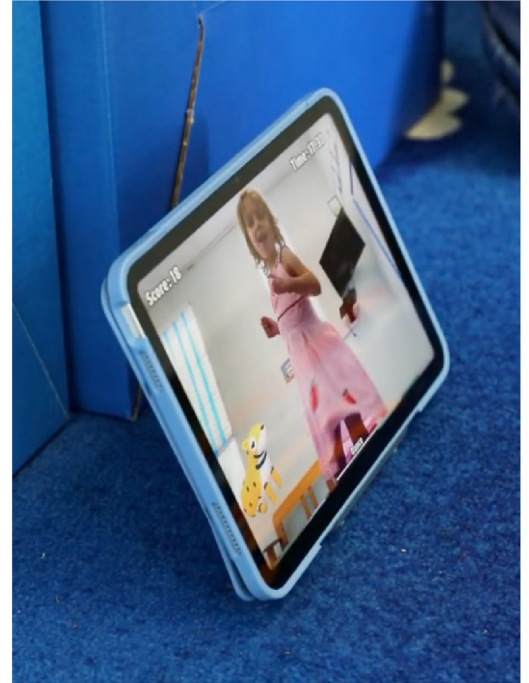

## Blast Off with Adojo at the Cub Rocket Academy!

🦊 **Learn math through movement with Adojo!** 🐒

Adojo is the first hands-free, movement-based learning app for kids ages 4-8, available on iPad. With Adojo, kids jump, wave, and dance their way through math practice, turning learning into a fun, full-body adventure!

Developed with educators and child development experts, Adojo makes math learning **active, engaging, and effective**—perfect for kids and stress-free for parents.
