Explore where your food comes from and how agriculture affects your life each day!

Agriculture includes growing crops and raising animals to provide food and other products.

There are activities Scouts must do before the program. There also will be activities to complete during the sessions and show the Nova Counselor. Scouts who complete this NOVA program will earn a NOVA emblem. Earn up to ten.

There is a fee of \$20 for this course. Space is limited, so please register early. All coursework and sessions must be completed for the award.
