Medical Forms

- Form A
- Form B

We will be moving from place to place. A lightweight camp chair is nice to take with you to sit.

We will be wearing BSA Field uniforms for parts of the day. At other times we will be changing into activity shirts.

You will be cooking and eating as part of a Patrol. You should have an appropriate mess kit for meals.

Don't forget the water bottle.

This is an overnight stay. Be mindful of overpacking. A single change of clothes is appropriate. Temperatures may drop at night so plan accordingly and dress warm.

For BALOO you should also bring an appropriate navigation compass
