  - Erik Pearson and Brian Ouellette [directors@climbing.ocbsa.org](mailto:directors@climbing.ocbsa.org)

*‘Young people today seek greater challenges, and climbing and rappelling offer a worthy challenge. The satisfaction of safely climbing a rock face is hard to top.’*

Help keep climbing/rappelling as part of Scouting’s activities by becoming a qualified BSA Climbing Instructor for your Unit, District, or Council!

**Scouters who work with troops and teach climbing are required to be “Qualified Instructors” prior to teaching any climbing/rappelling activities.**
