**PREREQUISITE: BASIC BACKPACKING COURSE TAUGHT IN SPRING AND FALL**

Have you always wanted to take your Scouts snowshoe backpacking in winter but do not know where to go? Or how to do it? Exciting possibilities exist in the winter wonderland of the mountains of southern California.

This course adds winter weather and resources to the skills you learned in the Basic Backpacking Course. The course topics include: (1) snow travel and snowshoe technique; (2) backpacking with a full pack using snowshoes and poles; (3) winter clothing and footwear; (4) how to camp and sleep in the snow; (5) how to cook and eat in the snow; (6) winter environment and hazards; and (8) ideas on when and where to go with Scouts.

On the overnighter snowshoe backpack with instructors scheduled for February 18-20, 2023, students and instructors will snowshoe backpack into a backcountry camp somewhere in the local So Cal mountains (possibly the Eastern Sierra if local So Cal snow levels are inadequate). The date and location will be voted on by the students. The trek will be low mileage and low angle snow.

Cost: \$50.00...roster limited to the first 10 students who sign up. Additional sign-ups as cancellations occur.

Additional cost (food and fuel) for the snowshoe backpack.
