

EL CAMINO REAL DISTRICT

TECH TALK

An in-person STEM course
held via Zoom in three 40-minute sessions

FOR CUB SCOUTS (WOLF, BEAR, WEBELOS, AND AOL)

**Saturday, February 12, 2022
10:30 a.m. – 2:00 p.m. PST
with two breaks for lunch and activities**

Technology is the use of tools, machines, or scientific knowledge to solve problems. Explore how technology affects your every day life!

There are activities Scouts must do before the program. There also will be activities to complete during the break and show the Nova Counselor. Scouts who complete this NOVA session will earn a NOVA emblem. Earn up to eleven.

There is a fee of \$15 for this course. Space is limited, so please register early. All coursework and sessions must be completed for the award.
