# ***NEXT BIG THING***

An in-person STEM course  
held via Zoom in two hour-long sessions

## **FOR SCOUTS BSA**

---

**Saturday, February 26, 2022**  
**10:30 a.m. – 2:00 p.m. PST**  
**with a break for lunch and activities**

Explore the world of product design, which involves balancing time, cost and quality to create something new!

There are activities Scouts must do before the program. There also will be activities to complete during the break and show the Nova Counselor. Scouts who complete this NOVA session will earn a NOVA emblem. Earn up to ten.

There is a fee of \$15 for this course. Space is limited, so please register early. All coursework and sessions must be completed for the award.
