

Certified Angling Instructor Course
CAI 2024 WC 01
January 24 – March 6, VIA Zoom
Wednesday's, 7 – 9pm, Pacific Standard Time

Welcome to our Certified Angling Instructor (CAI) Course.

All your instructors and the National Fishing Committee are very excited about this upcoming course. It is the very first course hosted by the Golden Empire Council.

All Modules will be conducted virtually on Zoom, Wednesday evenings beginning January 24 – March 6th, from 7:00-9:00pm, Pacific Standard time. The course Zoom window will open at 5:30pm for early check-in and to visit with instructors and other students. We will not hold a class on Wednesday, February 14th, in observance of Valentines Day. After each class, your instructors will stay online for another 15 minutes to answer any questions you may have about the day's lessons or the homework assignments.

Youth are enrolled in our course and per BSA Policy, we will **NOT** be recording our sessions. If you miss one of the modules, you will be able to make it up either by working with the course directors or by sitting in on another course for the module. Remember, all youth participants must have an adult in the room.
