About the University of Scouting

The **University of Scouting** is the Greater California Council's premier adult training event, designed to help Scout leaders, parents, and volunteers build the knowledge and skills needed to deliver an outstanding program for their youth.

This **in-person-only** event features a wide variety of courses tailored to every level of experience, offering practical training, fresh ideas, and valuable resources you can take back to your unit. Beyond the classroom, participants enjoy a day of fellowship, networking, sharing best practices, and connecting with fellow volunteers who are passionate about Scouting.

Whether you're new to Scouting or a seasoned leader, the University of Scouting provides an exciting opportunity to learn, grow, and strengthen your ability to deliver the best possible experience for the youth you serve.

Location - In Person

The University of Scouting Theme

The Nov 14, Theme for University of Scouting is "Drive Success"

Using this catalog

This program catalog is being provided as a planning tool to help you maximize your University of Scouting experience. Please take some time to look through the catalog and read the course descriptions to see what classes you would like to attend. Courses are organized into Cub Scouting, Scouts BSA, and General Courses. You may take any of the courses that are of interest to you.

Planning guide

Please see the planning guide near the end of this catalog, which you can use to map out your day to ensure that you do not sign up for two classes that are running concurrently, and also as a helpful reference during the day of the event to know which classes you signed up for. You will be given a class schedule at check-in at the multipurpose room. All classes are 50 minutes long unless noted as extended to 110 minutes. **Register early as the class sizes are limited and it's first come first served basis.**

What do I wear at the UOS?

If you have a scout uniform wear it or a unit activity shirt, and if not, wear what is comfortable. (No jammies or slippers 😊)

What do I bring?

Bring a water bottle, lunch (if you haven't chosen the lunch option at registration), and snacks if needed. The Order of the Arrow will have a snack table with coffee, drinks and goodies to purchase. Most of the seats in the classroom are connected to the tables, **so if you feel your frame may be more comfortable in a camping chair, please bring one.** A wagon is good for transporting items.

Carpooling is suggested so you can save on gasoline and have fun coming as a group of friends. Can you imagine sharing what you all learned on the way home?

*****There is no childcare available**, so please leave your younger children at home. This event is for adults. (Exception are scouts attending the Den Chief training.)

Scout Store Service for Your Scouting Needs!

Kathy Phillips, Manager of the River City Scout Store, will be at your service during our University of Scouting. If you want to order items for her to deliver to you at UOS then call the store at 916-649-1800 and place and pay for your order to be delivered.

There is more information on the Frequently Asked Questions page located on the registration site.

Training Records

Many volunteers are recognized for their service by earning a Training Knot or Key for the position they serve. Displaying these knots on your uniform lets others know that you have the training and experience to offer guidance and advice.

There are several Training-Knot awards available, so please download the requirements for your current position and review them carefully. Many of these awards require attendance at a University of Scouting, which you will have the opportunity to sign up for today.

Den Chief Training

24 Scouts interested in serving as a **Den Chief** should ideally be at a First-Class rank in Scouting or higher or be a Venturer/Sea Scouts member to attend this **3 1/2 hour training course (Sessions 1-4)**. As a Den Chief, you serve as role models for the Cub Scouts you mentor and represent the highest standards of leadership within the pack.

Registration is \$30.00 (with lunch option available \$15.00 at registration) and will include a copy of the Den Chief training book, training cords, certificate, name tag, University of Scouting patch, folder, paper, pen and UOS facility. **The scout can sign up for any class in the 5th session to finish out the day.** Den Chief's will need to turn in a medical form AB.

Adult Investment

Adult Registration is \$25.00 and you will receive a great program selection, University of Scouting patch, a folder with paper, pen, handouts, the UOS facility, and a google drive location that will contain all the handouts or other items the instructors want to share. Also included are instructor activities, a campus map, and your schedule with classroom numbers. Be sure to check out the "Pit Stop" where all our community partners will be showcasing the many activities you can participate in with your unit. The River City Scout Shop will also be there. Registration is at <https://scoutingevent.com/047-119377>

Check-in for everyone is from 7:45AM-8:25AM and will be in the multipurpose room. (Look for signs)

Everyone please line up by last name to pick up your folder that will include your schedule, map of campus, patch, lunch ticket if purchased at registration, then proceed to the gym.

Instructors can check in starting at 7:15AM.

SBSA-16 STEM Activities That are Fun and Help Scouts Complete Merit Badge Requirements.

Scouts have fun while learning STEM skills and concepts—and completing merit badge requirements. The activities provided in this class have been tested at camporees, summer camps, troop and pack events, and the International Sportsmen's Expo.

- Send Morse Code through plastic fiber-optic cable using light (a flashlight, sunlight, or ambient light). This activity simulates the Internet.
- Program an Arduino to power a 3-color LED to send Morse Code through plastic fiber optic cable. (Easy to do.)
- Make a bead bracelet or necklace that spells a name in Morse code. An excellent gift idea for Mother's Day or Father's Day.
- Create a 3D topographical map using lasers. One can change the simulated terrain and instantly observe the changes to the topography map.
- Create a customized star chart to identify stars and constellations
