Camp Winton

CUB SCOUT FREQUENTLY ASKED QUESTIONS

WHAT IS THE PROCESS FOR REGISTRATION?

- To register, visit https://scoutingevent.com/047-CampWintonCubs2027
- Enter the number of each registrant type you estimate will be joining your Pack or family at camp this year
  - Your numbers can be changed! Initially register to cover enough spots for what your best guess is, and if you need to add or remove participants, you are able to before the final payment and registration due date in May
  - For Packs- we advise adding to your estimate- it is better to have too many spots reserved, than your preferred session sell out and have Scouts who are unable to attend
  - Details for each individual registrant do not have to be filled at the time of registration
    - Utilize the **PARENT PORTAL** for easy management of each Scout!
  - Need help changing your numbers? Contact the Program Department

WHEN DO I HAVE TO PAY?

- A $500 non-refundable deposit is due at booking to secure your registration
  - This deposit can be allocated to your full balance in any way you prefer
- To receive a certain pricing tier, fees must be paid in full by the deadline for that rate
  - For Regular pricing, you must be paid in full by April 30, 2027
  - For Late Pricing and to attend camp, you must be paid in full by May 20, 2027
- All payments and registration adjustments are due no later than May 20, 2027
