Safety First: Discover how to stay safe while fishing and handle equipment responsibly. Conservation Counts: Learn about protecting our waterways and practicing ethical fishing.	YES		YES
G122	G122 - Creating Inclusive and Welcoming Environments in Scouting	Join us for a structured discussion on how we can all work together to create more open, welcoming, and inclusive environments in Scouting. This class will be run by a core volunteer from Scouts for Equality, an organization that advocates for a fully-inclusive Scouting movement. This class is suitable for all groups, but may be more applicable to Scouts BSA and Venturing			
G123	G123 - Creating a Community of Upstanders (Bullying and Harassment Prevention)	"We will discuss the differences between bullying and harassment, types of bullying including cyber-bullying and the prevalence and consequences of bullying. Suggestions will be offered for responding to bullying behaviors and how to be proactive. Attendees will learn the signs of a child who is being targeted and how to help them, how you can help the aggressor change their behavior, and how you can help change bystanders into upstanders.			
G124	G124 - Building Inclusive Scouting Programs: Empowering Scouts with Special Needs (2 hours)	Discover how to create engaging and inclusive Scouting experiences that meet the diverse needs of Scouts with special needs, including those on the autism spectrum. This course highlights the wealth of supportive programs embedded within Scouting BSA, equipping leaders with tools to foster positive, impactful environments. Learn strategies for creating adaptive activities, handling challenges with confidence, and de-escalating high-stress situations. Empower your Scouts by understanding their unique needs, building stronger, more inclusive troops where every member can thrive.			
G125	G125 - Leading with Understanding: ADHD in Scouting	This course will equip scout leaders with the knowledge and practical strategies to effectively support scouts with Attention Deficit Hyperactivity Disorder (ADHD). Participants will gain a deeper understanding of ADHD, learn to create inclusive and engaging activities and develop skills to foster a supportive troop environment.			

Course Code	Course Name	Course Description	New	Scheduled	Open to Youth 14 -18
G126	G126 - Making Trans and Gender Non-Conforming Scouts Feel Welcome in Your Unit	We want our units to be welcoming to ALL Scouts, including those who are transgender and gender non-conforming. What does it mean when a Scout says that they see gender as a spectrum rather than binary? What if a Scout tells you that their pronouns aren't what you've assumed? Does your adult leadership team know how to demonstrate solidarity and partnership? What are the implications for unit assignments, tenting, and buddies? How do you prevent or address bullying? Come with questions.			
G128	G128 - Advanced Problem Solving using Design Thinking (2 hours)	Learn to use different problem solving methodologies to tackle common challenges in Scouting such as recruiting, engaging parents in scout leadership roles, or program ideation and planning. This will be a live facilitated session engaging participants in the tools that they are learning. (I may need to adjust this)			
G129	G129 - Home Safe Home	From Lion Cubs to Scouts, we have been teaching and promoting Emergency Preparedness as a life, family and home skill. The Scouting motto has always been Be Prepared. Is your home and family prepared for the unexpected? Are you sure? This session is full of easy to implement plans and resources that will help ensure your family's safety and wellbeing if something goes sideways. This is not doomsday prepping, just pragmatic emergency preparedness. No bomb shelter needed.	YES		
G130	G130 - Introduction to Lashings and Camp Gadgets (2 hours)	Get started with the basics of lashings and camp gadgets in our easy-to-follow class.
