中文童軍幹部訓練

Dear Scout Parents:

Silicon Valley Monterey Bay Council cordially invites you to attend the 2027 Basic Scout Leadership Training (BSLT). The training consists of an SM/ASM Specific course and Introduction to Outdoor Leader Skills (IOLS). Completing both courses meets the corresponding instructor-led training requirements for Scoutmasters and Assistant Scoutmasters.

These courses follow Scouting America training guidelines and materials. To help participants understand the Scouting principles and skills, the courses will be conducted in Chinese (中文). Adult leaders and parents are encouraged to participate.

Outdoor Leader Skills is a hands-on program designed to develop the basic camping skills required for Tenderfoot through First Class. Experienced Chinese-speaking instructors will cover:

- Setup campsite / Outdoor ethics
- Nature, plant and animal identification
- Outdoor cooking
- Scouting knots
- Working with wood tools
- Campfire planning
- Compass / Map / Wilderness hiking
- Backpacking techniques

These courses help participants build confidence, reinforce outdoor skills, and connect with other Scout leaders and parents.
