https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf

All Medical forms will be turned in at check-in. Medical forms will be returned with your patches and ribbons, upon departure, on Sunday. The exception is if a participant is treated by our medical staff.

A roster (see Appendix D) must also be turned in listing all participants, youth and adults.

CHECK-IN UPON ARRIVAL (Cabin #5);

- FOR SAFETY REASONS, IT IS VERY IMPORTANT THAT EVERY UNIT CHECK IN AT HEADQUARTERS, CABIN #5, AS SOON AS POSSIBLE AFTER ARRIVAL AT THE FRIGID FLAMINGO KLONDIKE.
- Please bring your previously paid receipt.
- Have medical forms for ALL participants and a unit roster listing the youth and adults that are attending the event. See enclosed form. Troops may arrive after 6:00 PM to set up camp.
- Campsites will be assigned upon check-in at Headquarters, Cabin #5.

Registration is at Cabin #5 and will open at 6:00 PM on Friday.

PARKING AND UNLOADING

- Due to park regulations and the volume of traffic we create, unloading and parking can be a slow process.
- PLEASE, follow the directions of the traffic control people and be patient!
- Please note that the purchase of a State Park Pass is NOT required unless you plan to visit other locations within the park.
- All vehicles to be parked per park regulations. Vehicles may "tail in" park at campsites. Vehicles park on the right side of the road in all other locations. This will make leaving the Klondike venue as easy as possible in the event of an emergency.

CAMP SET UP AND TAKE DOWN

- Troops may arrive after 4:00 PM on Friday to set up camp. Units should plan to depart by 11:30 AM Sunday.
- There are to be no tents, tarps etc. tied to any trees or structures. It is expected that all participants are to be sleeping in tents. No travel trailers or buses are to be used. If because of unique circumstances (health), it is required, prior arrangements must be made through the contact listed on page 1

Food

- Troops will provide all of their own meals. No meals will be provided to participants.

FIRES AND WATER

- Wood fires are only allowed if they are in the established fire grates. No wood will be available at the campsites. Wood gathering is not permitted. Use of stoves or charcoal for cooking is strongly recommended.
- NO OPEN FLAMES IN TENTS. This includes no cooking in tents.
- ALL ASHES ARE TO BE TAKEN HOME.
- There is no running water available, so please plan on bringing your own. Dehydration can occur just as fast in cold weather as warm weather, so be sure to bring extra water.
- Bring what you will need for the event.

There is no running water available, please bring your own.

FIRST AID (Cabin #5)

- First Aid emergencies should be directed to the First Aid station, located at Cabin #5. The individual unit should handle all minor first aid opportunities. First Aid members will also be walking around the events on Saturday.

DO NOT CALL 9-1-1! CONTACT STAFF FOR ALL EMERGENCIES.

We will have trained medical and other emergency response staff present on site. They will be able to respond very quickly to an emergency.

Calling 9-1-1 may cause confusion and delay as the responding agency may not be familiar with the camp so getting them to the necessary location will be difficult. On-site resources can respond much more quickly, assess the situation and call-in appropriate additional outside resources as required.

SCHEDULE

- A schedule is included in appendix B
- This is our current best estimate, though it may be adjusted as we get closer to the event.
- If changes are made an updated copy will be provided at check in.

AWARDS

LATRINES

- Latrines will be provided for all campers to use.
- Remember no trash is to be put in the latrines.

- ALL UNITS MUST TAKE THEIR TRASH HOME!!!
- The trash receptacles that exist in the campsites are NOT to be used. Points will be deducted during campsite inspection. THIS INCLUDES ANY FIRE ASHES. Established fire grates should be cleaned out as well, prior to departure. Remember to leave your campsite in better condition than you found it upon arrival. Remember "Leave No Trace Principles".

CAMPSITES

Each Troop will be assigned a campsite(s), at check in.

WE ARE GUESTS OF THE STATE PARK

- A couple of items that need to be adhered to; No tying of tarps, tents, etc. to trees.
- Observe, but do not feed or harass any wildlife.
- Pick up trash regularly, which will help in the amount of trash found when the snow melts, as well as keep the animals from looking for your food.
- No use of snow plows or snow blowers are to be used to clear campsites or roads.

EVENTS

- The events are organized and run by the Scouts BSA on a volunteer basis under the guidance of adult Scouts BSA volunteers. It is requested that adults do not interfere with the Scouts BSA who are running the event. If there is a problem, it should be brought to the attention of the adult advisor at the event or the Frigid Flamingos Klondike Senior Patrol Leader.

MAKE ADDITIONAL COPIES

- Make necessary copies of this packet for your needs. This leader's guide will also be posted on the Three Rivers District Website/Activities, a link from the council website.
- Also make copies of schedule, driving directions, parking pass, participant roster, campground map, and registration form. ALL FORMS ARE LOCATED IN THE APPENDICIES.

PARADE OF SLEDS

- The parade of sleds will be held prior to the sled race.

SCOUT BSA SECTION PROGRAM ACTIVITIES – SCOUTS BSA

- Saturday morning prior to the flag ceremony, patrol registration will take place, located at cabin #2. Each patrol will be assigned a Patrol number. Events will test your Scouting skills. Scouts BSA should bring patrol flags/event flags and bring their great Scouting Spirit.
- You **MUST** follow the sequence you are given. If not, you will be asked to go to the correct event.
- Upon completion of each event, your Patrol Sheet will be signed, by the event leader.
- This sheet will show in what rotation your patrol is to follow between event stations.
- Your Patrol Sheet **MUST** be turned in upon completion of all the events, to cabin #5 and prior to 6:00 PM Saturday. Otherwise, no scores will be registered. This enables the staff to know that all patrols are accounted for, again for safety reasons.

SCOUT EQUIPMENT LIST

- EACH Scout is to have their own 10 essentials.
- As groups are participating as patrols, the patrol should have an event flag/Patrol flag, song and yell.
- The Event/Patrol flag must be able to be separated from the sled.

- Patrols will not be judged only on their ability to complete the task in a fast manner but also the way it is completed with the Scouting ideals in mind.
- As Scouts BSA, all participants should display a positive and inclusive attitude.
- The adult leaders should also follow these guidelines.
