

CUB WORLD

at Camp Jack Nicol

Cub World is an exciting 3-day, 2-night outdoor camping experience designed for Lions to Webelos. Participants will venture to themed areas at camp and explore a world of imagination!

Explore the Medieval Castle and become a knight or maybe a jester. Dig deep into the wild west at the Frontier Fort and become a pioneer, throw a lariat, and more. Immerse yourself in creativity in the Lighthouse at Dunn Point with STEM activities and crafts. Experience nature at 7,000 feet, learning about the forest and local wildlife, conservation, and Leave no Trace. Put your boots on the ground and hike to the top of Spyglass Hill or around Mushroom Rock. Maybe even hike in the dark! Test your hand-eye coordination with Archery, BB's, and Slingshots.

All of these adventures and many more await you in Cub World, a camp built just for Cub Scouts!
