Camperships:

The Connecticut Rivers Council will continue to award camperships to assist Scouts who need funds to attend camp and might not otherwise do so. The annual campership fund is limited and fluctuates from year to year. Like Webelos crossovers and new Scouts, campership Scouts will also be afforded the lowest possible rate to attend camp. Those asking for Camperships should be named, and a \$50 deposit should be submitted by March 15 in BlackPug.

Question? We know our troop has Scouts that need Campership assistance in order to attend camp. Should we register them with a \$50 deposit by March 15th?

Answer: Yes, as stated above, campership applicants are always afforded the lowest possible camp fee.

Questions about Camperships should be addressed to **Sean Fogle** at Sean.Fogle@scouting.org

Refund Policy:

The Connecticut Rivers Council must commit financial resources to purchase equipment, hire staff, and otherwise prepare to provide the high-quality programs in our camps well in advance of the camps opening for the summer. Participants therefore must be prepared to make a financial commitment to attend. Refund requests made before June 15th will be reimbursed the fee minus the cancellation fee of \$75. Requests after June 15th will be reimbursed the fee minus the cancellation fee of \$150. In the event of an illness we will process a refund if you cannot attend camp. If a camp attendee presents signs of illness while at camp, we reserve the right to send them home without a refund.

Requests for Refunds:

All requests for refund consideration are to be in writing and sent either in the form of a letter or email and postmarked no later than **September 1, 2024:**

NOTE: This year has been a difficult year to establish camp fees. We have had to anticipate increases in food, electricity, fuel, every type of insurance, and camp staff payrolls. Through the budgeting process we anticipated raising camp fees \$50.00 per Scout. Working with The **Peter & Carmen Lucia Buck Foundation**, they agreed to generously underwrite the 2024 camp fee increase by subsidizing each Scout attending summer camp by \$50.00.
