

CAMP WORKCOEMAN

SCUBA Program Summer 2024

SDI Open Water Certification Program

Session 1: July 8th-11th
Session 2: July 29th-Aug 1st
For youth (age 13+) and adults
\$450 per participant

Entry level SCUBA Certification course that is designed to give participants the qualifications and skills necessary to safely conduct open water dives. Participants will learn about buoyancy, applying weights, marine conservation, equipment and more.

Registration includes three nights of camping, meals, equipment, training and certification.

Advanced SCUBA Certification Program

August 2nd-4th
For youth (age 13+) and adults
\$300 per participant

This advanced level SCUBA course will focus on the Underwater Navigation and Night time and Limited Visibility Diving Programs. Participants will learn how to properly navigate underwater, develop skills related to natural navigation, underwater compass navigation and interact with both daytime and nocturnal underwater aquatic life

Registration includes meals, two nights of camping, instruction, equipment and two certifications. Participants must have an entry level open water certification to participate in this advanced course.

Discover SCUBA

A la Carte Program – organized for units upon request – can be done any day during the summer
For youth (13+) and adults
\$50 per participant

This is an introductory course that gives participants a glimpse into SCUBA Diving. Participants will dive with an SDI instructor, while learning about basic procedures of a safe experience. All equipment and instructors are included in this half-day experience.
