KLONDIKE DERBY

CAMP WORKCOEMAN
CHARTER OAK DISTRICT

Saturday & Sunday, February 8-9

Day course and overnight course available!

Day Course

A one day event for patrols without winter tent camping experience, and those patrols with fewer map and compass skills.

Overnight Course

An overnight course for patrols experienced in orienteering skills, and familiar with winter tent camping. Scouts participating in the overnight course must have done one of our day courses in the past.

Webelos Scouts

Webelos dens with their adult leaders are invited to participate. The Webelos will not be competing, but can run the day course to give them a taste of the event. Webelos cannot compete, or be placed in Scouts BSA patrols. This is a Scouts BSA event. The Webelos may not have the skills to do this on their own and will need the assistance of their adult leaders. We have several options available.
