

2025 Southeastern District

Klondike Derby Events

Below are the events that we will be running for the Klondike Derby on January 31-February 2, 2025 at J.N. Webster Scout Reservation. We are placing an emphasis on great Scout Skills & Leadership. Many events are timed but the skill must be completed correctly before the timer will stop!!

New this year will be tie the Knot to Start!! – At each event, just one member of your Patrol must tie the start knot for that station!! So brush up on your Knot Skills!!

1. **Melting the Ice** -- Start Knot: Two Half Hitches - Location: Outdoor Adventure/Smokey Flats Area - Timed Fire Building race. Gather your wood, build a fire as fast as possible to melt an Ice Block in a pot. We will supply three matches per Patrol. So make them count!! Timed Event.
2. **History Lesson - Scouting Style** – Start Knot: Bowline - Location: Heritage Center in Lower Level of Perry Center – Your Patrol will have to complete a Scouting History Scavenger Hunt at the JN Webster Heritage Center.
3. **Log Pull/Pass** – Start Knot: Taught Line Hitch - Location: Handicraft Pavilion - Your patrol will have to pass a log overhead over a course and then tie the correct knots to drag the log a distance across the finish line. This will be a relay race timed event. All members of the patrol must participate. Station points will be based on knot tying accuracy, teamwork, time, and scout spirit.
4. **Camp Oh-No** – Knot: Clove Hitch - Location: Front of Dining Hall by BBQ Pit area - You will need match parts of the campsite to a LNT principle. Know you LNT rules! Scored Event
5. **River Crossing!** – Knot: Sheet Bend - Location: Fishing Pavilion Area by Dam – Move your supplies from one side of "the river" to the other using a high line and basket held up on a pulley. You will need to rig it for running then move everything across without losing anything. Timed Event.
6. **Trash Timeline** – Knot: Sheepshank - Location: Perry Center Lower Patio area - Trash timeline - match the object with how long it would be in the environment. Know your LNT!! Measured Event.
7. **Shelter Building** – Knot: Square Knot - Location: First Class Path - With a tarp and a rope you will need to assemble an emergency shelter that all members of your Patrol can get into. Timed Event.

4:00 PM Sled Race – Location: Parade Field - Road Course Sled Race!! Timed Event. To be held at 4:00 PM – One sled at a time!!
