Connecticut Rivers Council

# SCOUTS EXPLORE SCIENCE FOR JUST \$15

## Special Limited-Time Offer for Connecticut Scouts

Scouts and their families are invited to experience the Connecticut Science Center at a special discounted rate. Spark curiosity and discover the excitement of science through interactive exhibits, hands-on experiments, and engaging activities throughout the building. With multiple floors of exploration, Scouts can investigate real-world science, test their creativity, and uncover new ideas designed to inspire the next generation of innovators.

**\$15 Admission | March 21 - April 12**

**Come with your family or with your troop!**

Bring proof of active membership in scouting and enjoy a day of hands-on science, exciting exhibits, and interactive experiences.

## Important Details:

- Valid March 21 through April 12.
- Proof of active scouting membership required.
- Offer available in-person only at the Connecticut Science Center.
- Promotional price is for the Scout, their siblings, and caregivers.
- Promotional pricing is also valid for troop visits.

## Planning a Group Visit?

If you plan to attend with a group of 10 or more, please contact our Reservation Center to help coordinate your outing or scan the QR code to book directly.
