Leader's Guide

Welcome to the 2026 Fall Camporee. The theme this year is “The Amazing Race.” The scouts had a blast coming up with the events that we know you will enjoy.

Each Patrol will start their race at one country and travel to other countries completing two tasks in each country. One is a **Roadblock**, a task that only one member completes. The other is a **Detour**, a task that whole patrol completes.

There are three different patrols. A new scout patrol, scout patrol, and adult patrol. Each patrol should wear the same color. It can be shirts, bandanas, head/wrist bands.

The camporee is brought to you by Taftville Troop 80
