Winter Camp 2026

Winter camp is back and better than ever! In 2026, the dates will be December 27th, 28th, and 29th. We will be meeting in Leever Lodge, located at the first right when pulling into camp. Check-in will run from 8:30 am until 9 am each morning. For day campers, Saturday and Sunday will run from 9:00 am until 4:00 pm. Monday will run from 9:00 until 12:15. Please note that each badge is not offered each day. The first block (Polaris) will run from 9:15 until lunch. The second block (Maple) will run from after lunch until 4. The third session (Cedar) will run on Monday from 9:00-12:15. There is an example of a schedule further down that will explain this in more detail. Some badges have prerequisites that need to be completed or brought to camp. If your Scout is a resident camper, they will be dropped off on Saturday morning and picked up on Monday afternoon. For resident campers, after badges each day, they will have the opportunity to do various camp activities such as climbing, dutch oven cooking, and archery (weather dependent). Each Scout must bring a medical form. For Resident Campers, it must include parts A, B1, B2, C, and D. Day Campers only need parts A, B1, B2, and D. If there are any dietary restrictions, please make us aware of them so we can best accommodate your Scout!

Each badge is capped at 18 Scouts! Register early to secure your spot

We can't wait to see you!

Resident campers will be staying in Leever Lodge for the duration of the camp. They will be served breakfast and dinner here after the day campers leave. The staff will be staying in the Lodge as well, so there will be ample supervision. If any medications are necessary, we ask that you label them with the Scouts name and bring it to the attention of the staff at check-in. There are multiple showers in the building that are available to scouts.
