

Fall Program Health Protocol

Starting in September the camps will open for organized day programs. Each Scout will be grouped in dens for Cubs or patrols for Scouts BSA. While at camp, your group will need to remain in the group you arrived in or were assigned to if you came as an individual. Units must adhere to all social distancing guidelines and wear masks at all times. Groups cannot mingle with other groups while at camp. Restroom facilities will be disinfected prior to your arrival and after departure and will need to be disinfected after each use as well.

The Camp will provide:

- Sanitation/disinfecting supplies for bathroom
- Instruction sheet on each bathroom on how to clean and properly sanitize after each use
- Sanitation at each program area. Thorough wipe down of rifles, life jackets, sanitizing boats, oars, and all used equipment prior to next groups arrival.
- Thorough cleaning of all bathroom facilities and program supplies after each day
- a grab and go meal, individually package per participant will be provided

The unit or individual is responsible for adhering to the following guidelines:

- health, safety, and supervision of all their Scouts if coming as a unit
- health screening prior to arrival, we recommend that units use the pre-event screening check list provided by the National office:
<https://filestore.scouting.org/filestore/HealthSafety/pdf/680-057.pdf>
And the re-start scouting check list:
<https://filestore.scouting.org/filestore/HealthSafety/pdf/680-693.pdf>
- Collect all health forms from participants
 - Parts A and B of the Annual Health and Medical Record should be updated on or after June 1, 2020
 - Part C forms that were completed on or after Feb. 1, 2019 remain valid until Aug. 31, 2020

-No participants can show evidence of any aspect of illness, nor have been exposed to a person with COVID-19 within the last two weeks. Taking temperatures is recommended (no participation over 100F).

-Participants can only be transported by that parent or guardian. The purpose of this is to adhere to social distancing guidelines.

-Social distancing no less than 6' must be observed at all times, including meals and breaks.

-Camp will provide a "grab and go" lunch, there can be no shared food or drink.

-Units must be prepared to disinfect bathrooms between uses.

-Masks must be worn at all times, except while eating.

-Any adult or youth becoming ill during the trip needs to be treated as a medical emergency.

-No contact sports that include shared handling of objects such as balls or frisbees.

All CRC personnel, including Rangers and Campmasters, are authorized to enforce social distancing requirements, health and safety concerns, and camp restrictions on activities. Failure to adhere may result in removal from the property.
