

# Come Join the Charter Oak District Cub Blizzard at Camp Workcoeman

We will be discovering the Arctic at Camp Workcoeman for the Charter Oak Cub Blizzard Saturday, February 26th. We will learn how the Arctic Fox lives and build a Den. Cubs will experience an ice fishing demonstration while adventuring like a Polar Bear.

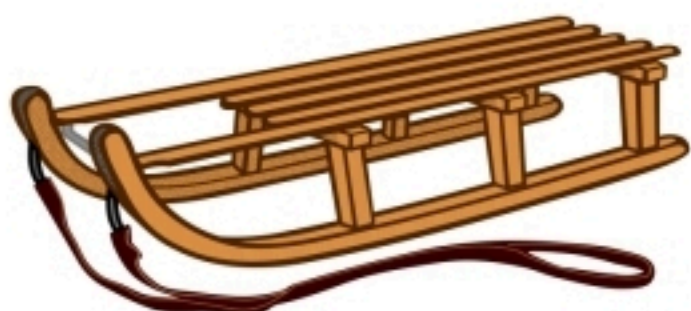

Cubs shall explore the possibilities of penguin warming past times through hands-on experiments and games.

No Arctic journey is complete without an old fashioned sled race.

Cubs choose their 6 essentials and a multitude of other items to fill their sleds and race across the "Arctic Tundra" (fondly known as the Workcoeman Parade Field)

A trip to the Arctic can yield many telling signs of local inhabitants both present and past. Our Cubs will identify tracks on an Arctic scavenger hunt and locate fossils for excavation. Cubs will also enjoy making their own snowflake Target for an archery skills fun shoot.

**Warm up stations will be available**

**Date:** Sat. Feb 26th 10am—2pm

Check in starts at 9:30 am

**Cost:** \$30.00 includes cub with adult partner and lunch
