

Glow Lanterns

Watch <https://images.app.goo.gl/581JqSSDaYUyynwNA>

Design

Make a design or draw a picture on the tracing paper

Handle

knot three pieces of paracord together

with a buddy braid the three strands together

knot it as you did at the beginning

have a grownup burn the edges so they don't fray

Assembly

wrap paper piece to fit shape of the cup

drop it the cup

you want to put the tapered end of the paper end first

take your braided piece fold it in half

then poke it right through the top of the lid where the straw goes

add tealight or glow stick

snap the lid in the cup

Supplies:

markers

Paracord

plastic drinking cups

battery operated tea lights/glow sticks

scissors

pencil

ruler

Tracing paper
