

**OLD NORTH STATE COUNCIL**

Venturing Officers Association

## **Venturing – BSA | Goal setting and Time Management Training** **Saturday March 7th, 2026** **Davidson-Davie Community College**

The ONSC Venturing Officers Association is offering a session of Goal Setting and Time Management Training for crews during the 2026 ONSC Merit Badge College - South. This gives Venturers a chance to complete training requirements while the college is in session.

Training will cover one session from 9:00 AM to 12:00 PM and no lunch will be provided.

### **Modules Covered**

- Tracking Time
- Setting Priorities
- Organization
- Using Planning Tools

This Goal setting and Time Management Training is an excellent opportunity for venturers to learn the fundamentals of planning, time-management, organization, goal setting, and more. Goal Setting and Time Management is also a requirement for Discovery Rank.

### **Prerequisites**

**ALL participants attending the course must be registered venturers who have earned the venturing rank (*unless an exemption is made by the VOA*).** Any participants 18 or older who are attending the course must have proof of a completed Safeguarding Youth Training.

### **Required Materials**

All participants attending the course must bring the following materials:

- Laptop, tablet computer, or smartphone and appropriate charger
- Pens and pencils
- Scrap paper for notetaking

### **Other Information**

All participants should arrive in the appropriate uniform for their crew. There will be a few outdoor activities so participants should be dressed appropriately for the weather. All graduates of the course will be presented with a Goal Setting and Time Management completion certificate.

The Venturing Officers Association will provide a participant notebook for each participant which will include the appropriate handouts and sufficient space for notetaking.

### **Course Cost**

The cost for the course is \$13 for in-council participants and \$18 for out-of-council participants.
