

2027 Dates for Summer - RSR

We will make every attempt to send out reminder emails in advance of the dates listed below

December 15 - Full registration will be open. At this time, you can name your slots and open the parent portal if you choose.

January 1 – The Campership application will be available online. The link will be posted in the attachments January 2. If your scout is undecided have them fill out the campership application before the due date. After April 1, applications for resident camp will not be accepted.

February 1 - all scout deposits are due. If loyalty troops pay their deposits on time, they earn their loyalty benefits – a free weekend tent site rental (or \$85 off a site) at a DMVC camp and \$200 loyalty perk (applied to the troop fee by the end of February).

March 12 - Final Merit Badge schedule will be available.

April 1 – All campership applications are due.

April 10 at 9am - Merit Badge class selections will open.

April 12 - Registration for the Leader Zoom webinar will be available. Link will be emailed to registration contacts.

May 1 – Early Bird Payments are due. If the check is mailed, we allow for the postmark to be by May 1. Please note that on May 2 the system automatically reverses early bird discounts for scouts that were not paid in full.

May 2 at 7 pm - Rodney Leader Meeting. The meeting should be in webinar format with preregistration.

May 8 at 9am – Rodney's Sunrise/Evening and Adult Leader program selection opens.

June 1 – Full balance is due. If a participant is booked after June 1 or later, they need to pay as they book.

June 21 – Site Saver registrations will be open for in camp units to book Summer Camp registrations for 2027. Only the Loyalty units from within the current week are able to book during “sitesaver”. Everyone else is prevented from booking into that week until after the camp week is over. So, when week 1 ends in 2027, week 1 for 2028 Summer Camp will open to the general public and each week will follow in the same manner.
