

WOOD BADGE

Dear Scouters,

I invite you to join us for the **2027 Wood Badge Course at Rodney Scout Reservation on the beautiful Chesapeake Bay!**

Wood Badge is an outstanding opportunity to strengthen your leadership skills, build relationships with fellow Scouters, and discover new ways to make a lasting difference in the lives of young people. Through hands-on activities, team development, and practical leadership training, you will explore contemporary leadership concepts and learn how to apply them to Scouting America's values-based programs for youth of all ages.

Whether you are a new leader or have years of Scouting experience, Wood Badge offers valuable tools, fresh perspectives, and an opportunity to grow alongside fellow volunteers who share your commitment to Scouting's mission. The skills you gain will benefit your unit, your council, your community, and the young people we serve.
