

RODNEY SCOUT RESERVATION

Cub Scout Summer Camp Program Guide

updated November 3rd, 2026

Scouting America
Del-Mar-Va Council

A beacon of Scouting on the Chesapeake Bay for 104 years!

LETTER FROM THE DIRECTORS

Hello Cub Scout families and Packs!

Thank you for choosing Rodney Scout Reservation for your Cub Scout's summer camp experience this year!

Cub Scouts are ready for a new summer camp experience and you have chosen the best there is. Rodney Scout Reservation is a Nationally Accredited Scouting America Long-Term Camp. Our facilities, program, and staff are top rate. Everyone from the newest Cub Scout to the most experienced adult leader will have a summer that will last a lifetime.

This guidebook, along with the Rodney website (www.delmarvacouncil.org/rodney) will give you the information needed to prepare your Cub Scouts for a great time at summer camp. Please take time to share this information with your Cub Scouts and their families so that everyone can be well prepared. We will be updating this Program Guide with new information as we get closer to the summer. Be sure to check back for additional information!

If you would like a tour of camp, they are available any weekend, simply reach out to rsr@dmvc.org and we will set up a staff member to guide you.

We're incredibly excited about this upcoming summer, and we cannot wait to see you at Rodney!

Yours in Scouting,
Rodney Scout Reservation Leadership

Damian Ambrozewicz
Camp Director

BE PREPARED

This guide will help you begin planning for the summer camp experience of a lifetime at Rodney Scout Reservation! Time and again, research has shown that Cub Scouts remain in our program when in Packs that plan a strong outdoor program. Our camp staff is eagerly awaiting your arrival. We know that Packs who plan their summer experience before they arrive are the ones that leave camp the most satisfied. Please make the information in this guide available to all Cub Scouts and families attending camp.

As the Scouts BSA Motto goes… Be Prepared!

This guide and other related summer camp documents are available on the Rodney Cub Scout OvernightSummer Camp website:

RODNEY

GOALS OF THE CAMP

It is the goal of Rodney Scout Reservation to provide a program that contributes to the development of citizenship, character, leadership, and personal fitness in Cub Scouts, Leaders, Staff, families, and visitors.

Participating in the program at Rodney Scout Reservation allows Cub Scouts, Leaders, Staff, families, and visitors to experience the Scouting program. Demonstrating behaviors associated with the aims of the Scouting program is an integral part of our camp experience. Some examples of desired behavior outcomes include:

Citizenship- Packs and individuals demonstrate respect for our nation by participating in daily flag ceremonies in the morning and at night. Cub Scouts & families may also demonstrate citizenship by maintaining a clean campsite, and/or performing a service project to benefit others.

Character- Cub Scouts, Leaders, Staff, families, and visitors have opportunities to participate in a rigorous outdoor program. This program will challenge them to act as part of a team to accomplish a community goal. Individuals will learn and demonstrate new skills.

Leadership- Through our programs all have opportunities to learn and show leadership traits such as resilience, problem solving, motivation, and accountability.

Personal Fitness- Cub Scouts, Leaders, Staff, families, and visitors are encouraged to participate in a physical outdoor program that promotes an active, healthy lifestyle. All are also encouraged to develop and practice habits associated with healthy, fulfilled living, which may include pursuit of the faith practices of their choosing. Examples could include: Cub Scouts choosing to eat a salad during mealtime as a healthy choice to supplement the camp menu, and Cub Scouts and Leaders holding a daily prayer in their campsite.

2027 FEE SCHEDULE
(at Rodney fees are ALL INCLUSIVE)

CUB SCOUT FEES

	Early Bird Fee (Paid in Full by June 30)	Regular Fee
Cub Scout Overnight Summer Camp	$195	$220

ADULT FEES

Cub Scout Overnight Summer Camp	$60

CAMPERSHIPS

Every Cub Scout deserves the opportunity to attend summer camp at Rodney Scout Reservation. Cub Scouts who may have financial difficulties should consider applying for campership funds. Check online at www.delmarvacouncil.org/camperships for more information.

REFUND POLICY

Partial refunds for Scouts not attending camp will be given only if the unit notifies Camping Services, in writing at least two weeks prior to the unit's scheduled arrival date at camp. There will be no refund for cancellations within two weeks of camp attendance, except for medical reasons. A doctor's note must be sent no later than the completion of the unit's week at camp. The $50 non-refundable registration fee will not be returned. After June 1, contractual fees increase the non-refundable amount to $100 regardless of the reason for cancellation. Any refunds will be made to the unit after the close of the summer camping season. It is the unit's responsibility to be sure that all parents are aware of the refund policy.

Cancellation Insurance

Even with the best intentions, sometimes things get in the way of your Scouts' coming to camp. Family emergencies and medical emergencies can stop even the most diehard Scout from completing Swimming Merit Badge and singing songs at campfires. Things happen and we at Rodney recognize this. So, while unable to protect Scouts' and Scouts' parents time investment in camp, there is an option to protect the financial investment. By teaming up with Trip Mate Inc., a leisure insurance specialist, parents can now purchase protection against their child's inability to attend Summer Camp. This coverage does not include everything. If your Scout suddenly doesn't want to go to camp or is restrained by certain obligations like Summer School, this coverage will not take effect. Please read the Trip Mate Policy Specifics to get exact details as to what is covered and what is not. Additionally, this coverage extends to emergencies that happen while a covered Scout is in camp such as medical evacuation and also covers lost and stolen personal items.

Please note that to be covered your insurance would have to be purchased prior to your final payment.

For more information about program protection or to get a quote or purchase a plan visit **https://www.aplusplans.com/index.php/consumer/index/dlmv11**. Fill out the "Get a Quote" section to start the process of purchasing a plan. If you or a parent have questions about this program, please contact Trip Mate Inc. at 800-420-5378 or at info@travelpolicyadmin.com.

Please note that this program is not administered in any way by Rodney Scout Reservation or the Del-Mar-Va Council. This is not an exception to Rodney's no refund policy nor does this program constitute a subrogation for camp fee payment.

MEDICAL FORMS

The Scouting America Annual Health & Medical Record is mandatory for all youth and adult participants.

The form can be downloaded at www.delmarvacouncil.org/rodney/summer/planning. This is the current national Scouting America form and is the only form to be accepted. **It is unacceptable to use a sports physical form as a substitution.**

Per National Standard, all participants staying in camp overnight are required to have Parts A, B and C completed. All three sections (A, B, and C) must be turned in at the medical recheck. The form must be signed by a licensed medical practitioner within the past 12 months and have a parent or guardian signature granting permission to render emergency treatment. Adults and youth must sign their own form. **No one will be able to stay in camp without the proper medical form, regardless of how many nights.**

We strongly encourage you to make copies of the medical form to turn in at medical recheck. **Medical forms may not be returned at the completion of summer camp.**

All Cub Scouts and adults will receive a medical screening soon after arrival at camp. **Camp is inherently a close quarters community, in an effort to minimize the risk of having an outbreak of illness, any Cub Scout, Leader, or family member with a temperature of greater than 100 degrees will be sent home if medically safe to travel.** In the interest of everyone's health, please make sure to have parents check campers' temperatures before leaving home. Cub Scouts, Leaders, and families with temperatures over 100 should delay their arrival until their temperature returns to normal range.

THE RODNEY STAFF

Our Staff

Rodney Scout Reservation takes pride in its summer camp staff. Each year the camp employs over 100 seasonal staff ranging in age from 15-75+. Many senior staff attend Scouting America's National Camping School. All of the staff are ready and prepared to provide an amazing experience and answer questions upon your arrival.

You will find that the Rodney Staff is like no other that you have experienced at Scout camps. Customer service is a way of life for our team. You will find that the statement is true, "Ain't no staff like a Rodney Staff!"

If you know any Scouts who would like to be a part of the Rodney Scout Reservation team, please have them fill out the online staff application at this web address 247scouting.org/forms/081-staff

Counselors-in-Training

Each year, Rodney Scout Reservation trains the next generation of camp staff in its Counselor-in-Training program. Each "CIT" participates in a 3+ week program to both experience multiple areas of camp program and to get a first-hand look into the life of a camp staff member. Many CITs return the following summer to be employed as a full-summer staff member. The CIT program is open to those 14 years of age.

FOOD SERVICES

Dining Hall - At Rodney, our Staff and campers eat together in the Dining Hall.

Breakfast - 8:00AM - 8:45AM
Lunch - 1:00PM - 1:45PM
Dinner - 6:00PM - 6:45PM

Dietary Restrictions - If any of your adults or youth have dietary restrictions, including food allergies, please fill out and submit the Dietary Restrictions Form found online at scoutingevent.com/081-RSRCubSummer. Also please communicate with the Food Service Manager upon your arrival in camp. The camp is ready and prepared to work through most situations.

CAMP FACILITIES & EQUIPMENT

During summer camp, all campers will stay in 2-person, platform wall tents, equipped with army-style canvas cots.

We have recently found that some families like to bring personal or Pack tents to use instead of the wall tents. Your campsite will have space for those tents to be added to the site

Each unit is provided with picnic tables and benches, fire ring, bulletin board, and a flagpole for campsite ceremonies.

A few words about camp facilities – The camp is like a small city with many of the same requirements: water supply, sewage, garbage disposal, firefighting, policing, food supply, housing, etc. Latrines are designed for disposal of human waste only; they are NOT garbage cans or trash disposal places. They were not designed to digest cans, foam products, bottles, or greasy dishwater.

CAMPSITE DUTIES & INSPECTIONS

Your campsite Commissioner does campsite visitations daily. Be sure to keep your Cub Scouts responsible for the cleanliness of their own living areas along with the general campsite.

CAMP COMMUNICATIONS

Mail at Camp

Cub Scouts love to receive mail while at camp! Mail will be brough to the Pack's campsite in the mornings. Outgoing mail service is also available. All incoming mail should be addressed as follows:

(Scout's Name), Cub Scout Camp
Rodney Scout Reservation
400 Rodney Scout Road
North East, MD 21901

For your Scouts to receive mail while in camp, please be sure families know to mail it in advance of your session at camp.

A better way to ensure Cub Scouts receive mail while at camp is to give personal letters to our Staff that are dated for when your Cub Scout should receive it. This prevents the risk of letters not arriving in time to reach your Cub Scouts.

Telephones at Camp

Rodney Scout Reservation has a limited number of telephone lines to serve the business functions of the camp. Scouts are not permitted to use the camp's phones except in the case of an emergency. Incoming calls should be of the utmost importance and may require locating a Cub Scout or Leader. A return phone number must be left.

Wi-Fi at Camp

Scouting in the modern age often comes with a need for internet communication.

At Rodney we have several Wi-Fi hotspots in camp for use by campers as needed.

Leaving Camp

During the week all campers who intend to leave camp must sign-out at the Camp Headquarters building.

For the protection of our campers, they may not leave camp without parent/guardian permission. Leaders should be aware of a Cub Scout's need to be out of camp in advance, if possible, and know the person taking the Scout out of camp. Any youth leaving camp must sign-out through the Camp Headquarters building with an adult and the person taking them from camp. If the person taking the Scout from camp is not a parent or guardian, the camp reserves the right to contact the parents/guardians for permission.

Visitors in Camp

Summer camp is a great opportunity to cultivate new leaders or invite special guests to see your Pack in action. Visitors are welcome in camp and must sign-in and sign-out through the camp's Headquarters building. Visitors may join your Pack for a meal with the purchase of a meal ticket 24 hours in advance through the camp's Headquarters building. Rates for meal tickets are:

Breakfast - $15 Lunch - $15 Dinner $18

Overnight adult visitors will be charged $45 per night or $60 per session. Sleeping facilities will not be guaranteed for adults staying less than a full session. Rodney Scout Reservation will provide camp tent space if available or space to bring and set up their own tent. Youth visitors may not stay overnight. Family and friends traveling a distance are asked to book local accommodations if necessary.

Anyone who is not a registered leader in Scouting America, or is not part of the immediate family of a Cub Scout in camp, will not be able to stay the night in camp.

AQUATICS CLASSIFICATION

At the beginning of each camp session Cub Scouts and adults will take a swimming test to determine their aquatic classification. Everyone will be classified into one of three ability groups: Non-Swimmer, Beginner, and Swimmer. Everyone must take an approved swim test to use the swimming pool or waterfronts. Ability groups will determine what color wristband you receive for your stay in camp. If a wristband is tampered with or lost, the Scout or leader may have to retake the swimming test as directed by the camp's Aquatics Director.

To qualify as a Beginner, a camper must: Jump feet first into water over the head in depth, level off and swim 25 feet on the surface. Stop, turn sharply, resume swimming for an additional 25 feet.

To qualify as a Swimmer, a camper must: Jump feet first into water over the head in depth, level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl, then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating.

At Rodney Scout Reservation, all swimming must be done only in the swimming pool. The waterfront areas are not considered swimming areas and are restricted for approved boating activities only.

All occupants of all watercraft must wear a Personal Flotation Device (PFD) and 'boat shoes' at all times. **"Boat shoes"** refer to the footwear required to be worn while boating or wading in the bay. These can be old sneakers, boots, or shoes to be worn only for this purpose. Wet shoes that are worn around camp will cause blisters. Crocs™ or Keen™ sandals that have thick soles and will not slip off your feet are acceptable.

Trading Post

Our camp is home to a full-service Trading Post, carrying much of what you will need during your week at camp. We also carry plenty of t-shirts, stickers, water bottles, and other souvenirs to help you remember your time at Rodney Scout Reservation!

If you are hungry between meals, the Main Trading Post, as well as the “Snack Shack” in Sampson Lodge, carries an extensive selection of food and drink. The Trading Post and Snack Shack are open daily with hours posted at camp.

HEALTH & SAFETY

Our Health lodge is located just off the main camp parking lot. The Health Lodge staff can handle most minor illnesses or injuries. ALL illnesses or injuries must be brought to the attention of the Health Lodge as soon as detected. If further medical attention is required, Cub Scouts and adults might need to be transported to the local hospital or urgent care center. Unless the Cub Scout/adult needs to be transported via ambulance, the Pack will be asked to assist with transportation.

It is the responsibility of the unit leader to process all charges for medical expenses through the unit's insurance policy, to have the expenses paid by the unit leader, or to have the expenses billed to the patient's family. Do not send bills to the Scout Service Center or the camp.

Buddy System

It's the Scout way! All campers must use the buddy system at all times while in camp. A minimum of two individuals should remain together at all times.

Medications

All prescription and non-prescription medications must be stored under lock and key during your time in camp. Medications may be controlled and administered by the Camp Health Officer, parent/guardian, or the Cubmaster. A Cubmaster may administer medications only if they are stored under lock and key (and refrigerated if needed) in the campsite. The preferred position of the camp is for the parent/guardian to store and administer the medication at their campsite. If the parents/guardians are unwilling or unable to store and distribute the medicine, it may be turned in to a Health Officer who will administer them from the camp's Health Lodge.

Hydration

"A hydrated Scout is a happy Scout." Water will be provided at all program areas and campsites. All campers are expected to bring their own container for water. Every person is strongly recommended to drink five (5) quarts of water per day. The number one health problem ailing campers is dehydration.

Camp Security

Wristbands provide an identification system to those who belong in camp. All campers will have wristbands colored by swimming ability. Visitors to camp will also have a different color wristband. Camp staff are unmistakable with their red staff polo shirts and name tags. If you come across anyone in camp without a wristband, please alert a staff member or escort them to the Camp Headquarters building to check-in or be dismissed from camp.

Sunscreen

Sunscreen is essential when out camping. Make sure to wear one that's broad-spectrum with an SPF of at least 30. Since you'll probably be engaging in different outdoor activities, find one that's specially formulated for sports and is sweat and water resistant.

HEALTH & SAFETY

Standards for Privacy

Cub Scouts is a family-oriented program. Parents and guardians may share a tent with their familes.
All Scouting America Safeguarding Youth policies must be followed at all times while in camp.

Showers

Personal cleanliness is the number one item in the prevention of illness. There is no substitute for soap and water. Hot showers are located near every campsite. Leaders should make an effort to be sure that every camper stays clean. Showers should be taken daily, preferably before bedtime, and a self-inspection for ticks should be made by each camper.

Separate central shower facilities are available for male and female Cub Scouts and adults. Each campsite will be responsible for the cleanliness of the closest comfort station on specified days.

Insects/Ticks

Even a great week of summer camp can be ruined by constant insect bites. Be prepared when you come to camp. A non-aerosol insect repellent is recommended to reduce the likelihood of mosquito and tick bites. Aerosol insect repellents are prohibited in camp because they are extremely flammable and destroy tent waterproofing. Mosquito netting is recommended and can be purchased at the camp's trading post if necessary.

Hiking

Rodney Scout Reservation is fortunate to encompass the Bull Mountain Wilderness on its property with several marked hiking trails. Be cautioned to remain on the marked trails and use the buddy system at all times.

HEALTH & SAFETY

Motor Vehicles

In the interest of the safety of our campers who walk and bike along the camp roads, these rules are to be followed:

- **Vehicles may NOT be used to drive around camp after checking in.**
- All vehicles must be parked at the designated parking lot.
- **No vehicles may be parked in campsites.** Exceptions will only be granted by the Camp Health Officer for medical reasons that are identified by a health-care provider on their medical form.
- Vehicles entering or leaving camp must be cautious of campers walking or biking on the roads.
- All drivers must have a valid driver's license and all vehicles must be properly licensed and insured.
- All recreational vehicles are restricted from use as housing.
- Absolutely no passengers may be transported in a vehicle that does not have a seatbelt installed for the purpose of passenger safety. Riders are NOT permitted to ride in the bed of a truck.
- Del-Mar-Va Council is not responsible for damage to vehicles parked in camp.
- Special arrangements can be made for transporting heavy Pack equipment with prior approval of the Camp Director.
- No Cub Scouts are to be driven anywhere in camp by leaders or visiting adults.

Smoking

Smoking is PROHIBITED in camp except in designated areas without youth present. Smoking is not permitted by youth at any time and may lead to dismissal from camp. Adults are discouraged from smoking while in camp, as it sets a poor example for the youth. Smoking in the presence of youth, either by sight or smell, may lead to dismissal from camp.

Other Prohibited Items

The following items are prohibited in camp and violators may be dismissed from camp: **Alcoholic beverages, pets (except service animals), large sheath knives, fireworks, illegal drugs, firearms and air guns*, ammunition of any type.**

In accordance with National Scouting America and Del-Mar-Va Council policy, no outside firearms are allowed to be brought into Rodney Scout Reservation

Any questions on the above mentioned items should be directed to the Camp Director.

EMERGENCY PROCEDURES

All emergencies at Rodney Scout Reservation will be identified by a system of sirens as follows:

1 BLAST - LIGHTNING WARNING

Lightning is in the immediate vicinity, stay alert

Effect:

Aquatics areas and climbing tower will close, others will remain open
Further information will be disperse through the text system

3 BLASTS - CAMP-WIDE EMERGENCY

A camp-wide emergency is in progress (see examples below)

Effect:

All Cub Scouts & Leaders must return immediately to their campsites;
Packs need to take attendance and send a text to the Camp Headquarters to confirm your Pack's attendance of Cub Scouts and adults
(i.e., "35 Scouts and 5 leaders from Pack 123 are present" or "John Doe and Sammy Scout are missing from Pack 123").

The text information will be given to families upon arrival.

Accident or Illness

- Unit should administer first aid within the limits of their qualifications.
- Report all accidents or illnesses to the Health Lodge immediately.
- If additional help or a hospital visit is necessary, the Health Officer will make the necessary arrangements.
- If the unit is transporting the patient to a medical center or hospital, the Health Officer can provide directions.
- If anyone in the unit has a cellular phone and calls for an ambulance directly, be sure to notify the main camp office (410-287-5888) immediately, so they can direct the ambulance to your exact location.
- Be sure to report back to the Health Officer on the circumstances of the illness or injury, and the condition of the patient.
- If required, completely fill out an incident report recording all information required and file it with the Health Officer or Camp Director.

In Case of Fatality

- Immediately inform the Camp Director or Health Officer. They will summon the proper authorities and notify the Camp Ranger and other appropriate Council personnel.
- Out of respect for the victim and their family, keep everyone well away from the area, and do not discuss with other campers, leaders, or staff.
- Assist the police and medical personnel in every way possible.
- Assist the Camp Director in completing an incident report.

EMERGENCY PROCEDURES

Severe Storm

- 3 blasts of the siren will be heard and all campers will be instructed to report to their campsite.
- All units will check to be certain that all campers are present and accounted for. Once campers are present and accounted for, the unit will send a text to the main camp office to report that your unit is all present with a count of Cub Scouts and adults. A text will be sent with any further instructions to the unit.
- Instruct all campers to secure their personal gear and secure all unit gear.
- Units in lodges or bunkhouses will keep everyone inside. If necessary to leave shelter for any reason, do so only in groups of two or more. Remain indoors until further instructions are issued.
- Units in tents or shelters will be moved to a protected facility if necessary. Once moved, units should be sure to keep everyone inside until further notice. If necessary to leave shelter for any reason, do so only in groups of 2 or more.
- If forecasts indicate the camp is to be evacuated, and sufficient time is available, the camp will be evacuated in an orderly fashion. This will require a minimum of thirty to sixty minutes advance notice. The Camp Director or Camp Ranger will consult with the appropriate council personnel before ordering an evacuation. If time will not allow an evacuation, proceed as outlined in the bullets above.

Lost Person

- If it is suspected that someone is missing, notify the Camp Director or Camp Ranger, who will take charge.
- All members of the unit from which the person is missing will report to their campsite.
- Unit leadership will determine if anyone else is missing with them, or if the camper might have gone home.
- Determine where the person was last seen. Thoroughly check all tents, cabins, bunks, and latrines. Check the waterfront areas for the person or any missing boats.
- If the person is still missing, the camp alarm (3 blasts) will be sounded returning all units to their campsites.
- All units will check to be certain that all campers are present and accounted for. Once campers are present and accounted for, the unit will send a text to the main camp office to report that your unit is all present with a count of Scouts and leaders. A text will be sent with any further instructions to the unit.
- If the person is still missing, the Camp Director or Camp Ranger will notify the appropriate council personnel. They will institute a search of the camp roads and trails, using the Camp Staff and any available leaders over the age of 18 who are familiar with the camp. They will search the camp using a line-abreast pattern and by areas as determined on a map. Campers may be used for this but only in daylight and only when each group of campers is supervised by two adults. Search one area at a time, from one side to the other, and then move on to the next area. If at this point the camper can still not be located, the Camp Director or Camp Ranger will request the assistance of the Maryland State Police. Assist the police as requested and follow their directions.

EMERGENCY PROCEDURES

Fire, Earthquake, Chemical Spill, or Other Disaster

- Immediately upon learning that there is a fire or other incident in camp, notify the Camp Director, Camp Ranger, or other member of the Camp Staff. The Camp Director or Camp Ranger will notify the fire department, Forest or Park Ranger, police, or other appropriate emergency personnel.
- The camp siren (3 blasts) will be sounded for all campers to return to their campsites.
- In the case of a fire, the Camp Ranger will direct fire-fighting efforts until relieved by the fire department. The Program Director or Camp Director will remain at the main camp office and direct all other staff members to report to the fire scene and work as directed by the Camp Ranger.
- In other emergency cases, after a camp siren (3 blasts) has been sounded, a text will be sent with any further instructions to the unit.

Lost Bather

When it has been determined that a boater or swimmer is missing, the following procedures will be initiated:

- The Aquatics staff calls out the camper's name to see if they answers.
- If no answer, the aquatics staff determines where the camper was last seen.
- The area is quickly scanned. If the camper is still missing, the Aquatics staff will send all campers back to their campsites.
- The Aquatics Director is notified. He will assign a staff member to go to the missing camper's campsite and verify that all campers are present.
- The Camp Director is notified.

As the above occurs, the Aquatics staff organizes and begins a water search.

- The general camp alarm (3 blasts) will be sounded.
- If the camper is still missing, the Camp Director will notify EMS and command all other aspects of the search.
- Appropriate Council personnel will be notified.

Allegations of Bullying or Child Abuse

- Suspected bullying or abuse must be reported as soon as it is suspected. Failure to do so may result in criminal or civil penalties. No state requires that you have proof that abuse has occurred prior to making the report, only that it is suspected.
- Call 1-844-SCOUTS1 to report the situation.
- All reports must be immediately reported to the Camp Director. Initial reports may be oral, but any oral report must be documented in writing at the earliest possible time.
- In cases involving allegations of sexual abuse against an individual, the Scout Executive of the Council in which the alleged abuser resides is also responsible for implementing proper procedures.
